# THE ONTARIO FISHERY REGULATIONS

## Chapter 849 C.R.C., SI/79-131

Amended by:

Order-in-Council P.C. 1978-1389 of April 27, 1978;  
S.O.R./78-399.

(See the Canada Gazette (Part II) Vol. 112, No. 9 of  
May 10, 1978);

Order-in-Council P.C. 1978-2599 of August 16,  
1978; S.O.R./78-662.

(See the Canada Gazette (Part II) Vol. 112, No. 17 of  
September 13, 1978);

Order-in-Council P.C. 1978-3465 of November 16,  
1978; S.O.R./78-870.

(See the Canada Gazette (Part II) Vol. 112, No. 23 of  
December 13, 1978);

Order-in-council P.C. 1979-1384 of May 9, 1979;  
S.O.R./79-397.

(See the Canada Gazette (Part II) Vol. 113, No. 10 of  
May 23, 1979);

Order-in-Council P.C. 1979-1595 of May 31, 1979;  
S.O.R./79-459.

(See the Canada Gazette (Part II) Vol. 113, No. 11 of  
June 13, 1979);

Order-in-Council P.C. 1979-2588 of September 27,  
1979; S.O.R./79-693.

(See the Canada Gazette (Part II) Vol. 113, No. 19 of  
October 10, 1979);

Order-in-Council P.C. 1979-3061 of November 8,  
1979; S.O.R./79-824.

(See the Canada Gazette (Part II) Vol. 113, No. 22, of  
November 28, 1979);

Order-in-Council P.C. 1980-745 of March 27, 1980;  
S.O.R./80-206.

(See the Canada Gazette (Part II) Vol. 114, No. 7 of  
April 9, 1980);

Order-in-Council P.C. 1980-932 of April 10, 1980;  
S.O.R./80-265.

(See the Canada Gazette (Part II) Vol. 114, No. 8 of  
April 23, 1980);

Order-in-Council P.C. 1980-2787 of October 20, 1980; S.O.R./80-807.

(See the Canada Gazette (Part II) Vol. 114, No. 21 of November 12, 1980);

Order-in-Council P.C. 1980-3163 of November 27, 1980; S.O.R./80-895.

(See the Canada Gazette (Part II) Vol. 114, No. 23 of December 10, 1980);

Order-in-Council P.C. 1981-926 of April 2, 1981; S.O.R./81-293.

(See the Canada Gazette (Part II) Vol. 115, No. 8 of April 22, 1981);

Order-in-Council P.C. 1981-1385 of May 28, 1981; S.O.R./81-429.

(See the Canada Gazette (Part II) Vol. 115, No. 11 of June 10, 1981);

Order-in-Council P.C. 1981-2362 of September 3, 1981; S.O.R./81-691.

(See Canada Gazette (Part II) Vol. 115, No. 18 of September 23, 1981);

Order-in-Council P.C. 1981-3416 of December 3, 1981; S.O.R./81-1091.

(See Canada Gazette (Part II) Vol. 115, No. 24 of December 23, 1981);

Order-in-Council P.C. 1982-1423 of May 13, 1982 S.O.R./82-500.

(See Canada Gazette (Part II) Vol. 116, No. 10 of May 26, 1982).

## ONTARIO FISHERY REGULATIONS

	Section
<b>Alewife</b>	
use as bait .....	22(2), 55(2)
<b>Algonquin Park</b>	
closed season .....	5
<b>Angler</b>	
defined .....	2(1)
<b>Angling</b>	
licences .....	25, 26, 27
limited to one line .....	13(1)
exception, ice fishing .....	13(2)
limited to four hooks .....	13(3)(4)
unbaited hooks prohibited .....	13(5)
not permitted within 25 metres of a pound-net .....	62
snagger or snare, possession and use of prohibited .....	13(7)
spring gaff, use prohibited .....	13(6)
<b>Application</b>	
fish to be taken only as provided in regulations .....	3(1)
exception, licenced fishing preserves .....	3(2)(3)
<b>Artificial flies</b>	
fishing confined to, in certain waters .....	16(1)
interpretation .....	16(2)
<b>Artificial lights</b>	
use of to take fish prohibited .....	14
<b>Atlantic salmon (Ouananiche)</b>	
defined .....	2(1)
catch limit .....	11(1)
possession limit .....	11(4)
take by angling only .....	4
<b>Aurora trout</b>	
no open season .....	4(1)
<b>Bait-fish</b>	
defined .....	2(1)
dip-netting .....	23, 50

	Section
export .....	20(2)
import .....	18(1)(b)
lamprey, use of, prohibited .....	22(1)(b)
live, not to be used in certain waters .....	22(3)
personal use .....	23, 24
possession and use prohibited .....	22(1)-(3)
possession limits .....	22(4)
preserve for sale .....	22(7), 56(1)(2)
release .....	22(6)
sale prohibited except under licence .....	22(5)
species, use of restricted .....	22(1)
<b>Bait-Fish Dealer's Licence</b>	
conditions .....	55
required .....	22(5)
<b>Bait-fish trap</b>	
identification required .....	63(2)
size regulated .....	23(1)(4)(5), 54
<b>Black Bass</b> —see Largemouth Bass and Smallmouth Bass	
<b>Blue Pickerel</b>	
catch limit .....	11(1)
possession limit .....	11(4)
<b>Bow and arrow</b>	
use of to take coarse fish .....	4(3)
use of to take coarse fish, non-resident .....	4(4)
<b>Carp</b>	
bow and arrow .....	4(3)(4)
defined as coarse fish .....	2
licence .....	29(1)(c)
licence conditions .....	29(4)-(6),
	42(1)-(3)
monofilament nylon .....	40(2)
<b>Cisco</b> —see also Herring	
defined .....	2(1)
gill-net mesh .....	57
size limit .....	8(a)
<b>Closed season</b>	
defined .....	2(1)
fishing prohibited .....	4(5)
varied .....	5(3)
<b>Closed Waters</b> .....	64

	Section
<b>Coarse Fish</b>	
defined .....	2(1)
dip-netting, commercial .....	50
for personal use .....	4(3), 38
taken with carp .....	42(3)
<b>Commercial boats</b>	
to be specified .....	41
<b>Commercial catch limits—see also quotas</b>	
incidental catch .....	59
Lake Nipigon .....	34, 39
trawling .....	46(2)
<b>Commercial fish</b>	
defined .....	2(1)
<b>Commercial fishing</b>	
defined .....	2(1)
licences .....	29
open seasons .....	2(1), 4(2)
quotas .....	7
use of gear restricted .....	30, 31, 32, 33, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 51, 54, 57, 58
<b>Commercial Fishing Licence</b>	
boat specified on .....	41
conditions .....	29(4)-(6)
issue restricted .....	29(2)-(3)
required .....	12(1)
<b>Commercial Fishing Licence (Carp Only)</b>	29(1)(c)
conditions .....	29(4)-(6), 42
required .....	12(1)
<b>Commercial Fishing Licence (Sturgeon Only)</b>	29(1)(d)
conditions .....	29(4)-(6), 43
required .....	12(1), 43
<b>Crappie</b>	
defined .....	2(1)
catch limit .....	11(2)
possession limit .....	11(5)

	Section
<b>Definitions</b>	
see Interpretation .....	2(1)
<b>Dip-net</b>	
angler's bait-fish licence .....	24
commercial licence for coarse fish or bait-fish .....	50
licence to take fish for personal use .....	38
to take bait-fish for personal use .....	22, 23
to take coarse fish for personal use .....	4(3)
to take whitefish and herring for personal use .....	38(2)(3)(4)
<b>Divisions</b>	
partition of Ontario .....	2(2)
<b>Dressed weight</b>	
defined .....	2(1)
<b>Durham County</b>	
closed season .....	5(1)
<b>Extension measure</b>	
defined .....	2(1)
gauge .....	2(3)
<b>Explosives</b>	
use of, to take or destroy fish prohibited .....	15
<b>Exportation</b>	
fish being exported by non-resident angler	
not to be cut up .....	21
fish, including bait-fish, not to be	
exported alive .....	20(2)
<b>Fish sanctuaries—see Schedule XIX</b> .....	64
<b>Gaff</b>	
permissible to land fish .....	13(5)
<b>Game fish</b>	
defined .....	2(1)
<b>General provisions</b> .....	3(1), 10, 12, 13, 14, 15, 30, 31, 60-63
<b>Gill-nets</b>	
carp .....	42(1)-(3)
illegal mesh prohibited on boats .....	57
Lake Nipigon .....	39

## Section

markers required .....	63
mesh regulated .....	57
monofilament nylon .....	40
sturgeon .....	43
use restricted .....	31-37, 39, 57, 58
<b>Herring</b>	
gill-net mesh .....	57
licence to take for personal use .....	38
not to be taken in seines .....	51
size limit .....	8(a)
<b>Hooks</b>	
use regulated .....	49
to be marked when set .....	63
<b>Hoop-net</b>	
use regulated .....	47
<b>Importation</b>	
of fish or spawn prohibited—exception .....	18(1)
of lamprey prohibited—exception .....	18(2)
<b>Interpretation</b>	
definitions .....	2(1)
<b>Kamloops trout—see Rainbow trout</b>	
<b>Kawartha Lakes Region</b>	
closed season .....	5
<b>Lake Nipigon</b>	
commercial fishing restrictions .....	34, 39(1)-(7)
<b>Lake trout (includes splake)</b>	
catch limit .....	11(1)(2)(7)
defined .....	2(1)
dressed weight .....	2(1)
Lake Nipigon .....	34, 39
not to be taken in certain gear .....	47(5), 51
possession limit .....	11(4)(5)
quotas .....	7
size limit .....	8
<b>Lamprey</b>	
import .....	18(2)
transfer .....	18(2)
use as bait .....	22(1)

	Section
<b>Largemouth Bass</b>	
catch limit .....	11(1)
possession limit .....	11(4)
size limit .....	8
open seasons .....	4
<b>Licences—angling</b>	
conditions .....	25-28
non-resident, age exempt conditions .....	27
organized camp .....	25, 28
Canadian resident .....	25, 26, 4(5)
to be carried on person .....	26(1)(2)
<b>Licences other than Angling Licences</b>	
anglers bait-fish .....	29(1)(f), 24
bait-fish dealers .....	29(1)(g), 22(4)(5), 55
commercial fishing .....	29(1)(b),(c),(d)
defined .....	2(1)
designated .....	29(1)
dip-net to take fish for personal use .....	29(1)(a)
fishing preserve licence .....	29(1)(k)
issue restricted .....	29(2)(3)
to preserve bait-fish .....	29(1)(h) 22(7), 56
to sell bass or trout .....	29(1)(i)
to take fish by means other than angling .....	29(1)(j)
to take smelt for personal use .....	29(e), 52
<b>Limits of catch</b> .....	7, 11(2)(3)(7), 11.1
<b>Limits of possession</b> .....	11(4)(5)(6)
<b>Limits of size</b> .....	8
<b>Live fish</b>	
export .....	20(2)
import .....	18(1)
transfer .....	18(1), 22(6)
use as bait .....	22(1)(2)(3)(6)
<b>Minister</b>	
defined .....	2(1)
<b>Minnows—see Bait-fish</b>	
<b>Motor boats</b>	
use of for angling prohibited .....	17

	Section
<b>Muskellunge</b>	
catch limit .....	11(1)
possession limit .....	11(4)
size limit .....	8
take by angling only .....	4
<b>Net markers required .....</b>	63
<b>Northumberland County</b>	
closed season .....	5(1)
<b>Non-resident</b>	
defined .....	2(1)
<b>Open season—see Schedule III, XI, XII, XX</b>	
angling .....	4(1)
commercial .....	4(2)
defined .....	2(1)
<b>Organized camp</b>	
defined .....	2(1)
<b>Ouananiche—see Atlantic Salmon</b>	
<b>Perch—see Yellow Perch</b>	
<b>Peterborough County</b>	
closed season .....	5(1)
<b>Pickereel—see Blue Pickerel and                                 Yellow Pickerel</b>	
<b>Pike</b>	
catch limit .....	11(1)
defined .....	2(1)
not to be taken in certain gear .....	44(2), 47(5), 51
open season .....	4
possession limit .....	11(4)
<b>Pound-net</b>	
angling within 25 metres prohibited .....	62
defined .....	2(1)
Lake Nipissing .....	44
Lake St. Clair .....	44
use regulated .....	30-35, 45
<b>Provincial Park</b>	
definition .....	2(1)

	Section
<b>Quotas</b>	
designated .....	7
nets to be removed .....	6(2)
varied .....	6(1)
violation .....	6(3)
<b>Rainbow trout—see Trout</b>	
defined .....	2(1)
<b>Resident</b>	
Canada .....	2(1)
Ontario .....	2(1)
<b>Round weight</b>	
defined .....	2(1)
<b>Sauger</b>	
defined .....	2(1)
<b>Schedules</b>	
I Division of waters.	
II Waters Referred to in Sections 22, 24 and 43 and Schedule XX.	
III Open seasons, angling.	
IV Extended open season for rainbow trout.

open seasons .....	4
possession limit .....	11(4)
size limit .....	8

# THE FISHERIES ACT

**R.S.C. 1970, c. F-14**

**as amended by**

**R.S.C. 1970, c. 17 (1st Supp.)**

**Statutes of Canada 1974-75 c. 48**

**Statutes of Canada 1976-77 c. 35**

## *EXTRACTS FROM THE FISHERIES ACT*

Definitions	<b>2. In this Act</b>
"close time"	"close time" means a specified period during which fish to which it applies may not be fished, and "closed time" or "closed season" has a similar meaning;
"fish"	"fish" includes shellfish, crustaceans, marine animals and the eggs, spawn, spat and juvenile stages of fish, shellfish, crustaceans and marine animals;
"fishing"	"fishing" means fishing for, catching or attempting to catch fish by any method;
"Minister"	"Minister" means the Minister of Fisheries and Forestry. R.S., c. 119, s. 2; 1960-61, c. 23, s. 1; 1964-65, c. 22, s. 12; 1968-69, c. 28, s. 99.
Appointment of fishery officers	<b>5. (1)</b> There may be appointed, in the manner authorized by law, fishery officers whose powers and duties are as defined by this Act and any other Act of Parliament.
Authority to administer oaths	(2) The Governor in Council may authorize any fishery officer to administer oaths and take and receive affidavits, declarations and affirmations for any of the purposes of any Act or regulation administered by the Department of Fisheries and Forestry.
Fishery guardians	(3) The Minister may appoint fit and proper persons to act as fishery guardians, who hold office during the pleasure of the Minister, and who have for the purposes of this Act and the

regulations the powers of a police constable. R.S., c. 119, s. 5; 1960-61, c. 23, s. 2; 1968-69, c. 28, s. 99.

Designation of fishery officers

(4) The Governor in Council may, by order, designate as fishery officers\* for the purposes of this Act any persons or classes thereof that he deems qualified to act in that capacity.

P.C. order 1978-420

\*All Ontario conservation officers were designated as fishery officers by the Governor General in council on February 16, 1978, under P.C. 1978-420.

Fry, parr or smolt

**12.** Salmonid fry, parr or smolt shall not at any time be fished for, caught or killed.

Possession or sale of fish prohibited

**19.** No one, without lawful excuse, the proof whereof lies on him, shall fish for, buy, sell or have in his possession any fish, or portion of any fish, at a place where at that time fishing for such fish is prohibited by law. R.S., c. 119, s. 18.

Stakes to be removed

**23.** Every person using stakes, posts, buoys or other materials placed for fishing purposes in any water shall remove the same within forty-eight hours after ceasing to use them, and in all cases at the expiry of the fishing season. R.S., c. 119, s. 23.

Destruction of fish

**30.** No person shall destroy fish by any means other than fishing except as authorized by the Minister or under regulations made by the Governor in Council under this Act.

Regulations

**34.** The Governor in Council may make regulations for carrying out the purposes and provisions of this Act and in particular, but without restricting the generality of the foregoing, may make regulations

- (a) for the proper management and control of the seacoast and inland fisheries;
- (b) respecting the conservation and protection of fish;
- (c) respecting the catching, loading, landing, handling, transporting, possession and disposal of fish;
- (d) respecting the operation of fishing vessels;

- (e) respecting the use of fishing gear and equipment;
  - (f) respecting the issue, suspension and cancellation of licences and leases;
  - (g) respecting the terms and conditions under which a lease or licence may be issued;
  - (h) respecting the obstruction and pollution of any waters frequented by fish;
  - (i) respecting the conservation and protection of spawning grounds;
  - (j) respecting the export of fish or any part thereof from Canada;
  - (k) respecting the taking or carrying of fish or any part thereof from one province of Canada to any other province;
  - (l) prescribing the powers and duties of persons engaged or employed in the administration or enforcement of this Act and providing for the carrying out of those duties and powers; and
  - (m) authorizing a person engaged or employed in the administration or enforcement of this Act to vary any close time or fishing quota that has been fixed by the regulations.
- 1960-61, c. 23, s. 5.

**Power to Search**

**35.** Any fishery officer may search or break open and search any building, vehicle, vessel or place other than a permanent dwelling place where he believes, on reasonable and probable grounds, that any fish taken in contravention of this Act or the regulations, or anything used in contravention thereof, is concealed.

**Arrest**

**36.** Any fishery officer, fishery guardian or peace officer may arrest without warrant a person whom he, on reasonable and probable grounds, believes to have committed an offence against this Act or any regulation, or whom he finds committing or preparing to commit an offence against this Act or any regulation. R.S., c. 119, s. 37.

**Interfering with Officer**

**38.** Every one who resists or wilfully obstructs any fishery officer or fishery guardian in the execution of his duty, or any person acting in aid

of such officer or guardian, is guilty of an offence punishable on indictment, or on summary conviction, and liable if convicted on indictment to a term not exceeding two years imprisonment, and on summary conviction to a term not exceeding six months imprisonment with hard labour or to a fine of one hundred dollars. R.S., c. 119, s. 39.

Entry by Fishery  
Officer

**39.** In the discharge of his duties any fishery officer, fishery guardian or other person or persons accompanying him or authorized to such effect by the fishery officer, may enter upon and pass through or over private property without being liable for trespass. R.S., c. 119, s. 40.

Returns of quantity  
of fish

**48.** The owner or manager of every fish curing or canning establishment or fresh fish business, and the captain or owner of every fishing vessel, and the owner of every fishing boat, fishing trap, weir or other fishing instrument in Canada, shall, at the request of the Minister or a fishery officer, furnish a true return, covering the period specified by the Minister or such fishery officer, containing the whole or any one or more of the following particulars:

- (a) all fish caught;
- (b) all fish bought;
- (c) all fish packed or canned;
- (d) the value of the fish caught, bought, packed or canned;
- (e) the number of fishermen employed and their nationality;
- (f) the number of shore workers employed;
- (g) the number and value of the fishing vessels and boats employed;
- (h) the quantity and value of fishing gear used;
- (i) the number and value of buildings and fixtures used; and
- (j) such other details and particulars as may be required by the Minister or such fishery officer. R.S., c. 119, s. 52.

Seizure of vessels,  
etc.

**58.** (1) A fishery officer may seize any fishing vessel, vehicle, fishing gear, implement, appliance, material, container, goods, equipment or fish where the fishery officer on reasonable grounds believes that

- (a) the fishing vessel, vehicle, fishing gear, implement, appliance, material, container, goods or equipment has been used in connection with the commission of an offence against this Act or the regulations;
- (b) the fish or any part thereof have been caught, taken, killed, transported, bought, sold or had in possession contrary to any provision of this Act or the regulations; or
- (c) the fish or any part thereof have been intermixed with fish referred to in paragraph (b).

Custody of seized  
vessels, etc.

(2) Subject to this section, any vessel, vehicle, article, goods or fish seized pursuant to subsection (1) shall be retained in the custody of the fishery officer making the seizure or shall be delivered into the custody of such person as the Minister directs.

Perishable goods

(3) Where, in the opinion of the person having custody of an article, goods or fish seized pursuant to subsection (1), that article, goods or fish will rot, spoil or otherwise perish, that person may sell the article, goods or fish in such manner and for such price as that person may determine.

Proceeds of sale

(4) The proceeds of a sale referred to in subsection (3) shall be paid to the Receiver General or shall be deposited in a chartered bank to the credit of the Receiver General.

Minister or court  
may order forfeiture

(5) Where a person is convicted of an offence under this Act or the regulations, the Minister or the convicting court or judge may, in addition to any punishment imposed, order that

- (a) any vessel, vehicle, article, goods or fish seized pursuant to subsection (1), or
- (b) the whole or any part of the proceeds of a sale referred to in subsection (3),

be forfeited, and upon such order being made the vessel, vehicle, article, goods, fish or proceeds so ordered to be forfeited, are forfeited to Her Majesty in right of Canada.

Forfeiture where ownership not ascertainable

(6) Notwithstanding subsection (5), where the ownership of any fishing gear, implement, appliance, material, container, goods, equipment or fish seized pursuant to subsection (1) cannot, at the time of the seizure, be ascertained by the fishery officer by whom the seizure is made, the fishing gear, implement, appliance, material, container, goods, equipment or fish are upon the seizure thereof forfeited to Her Majesty.

Re-delivery on bond

(7) Where any vessel, vehicle, article, goods or fish have been seized under subsection (1) and proceedings in respect of the alleged offence have been instituted, the court or judge may, except in the case of any article, goods or fish forfeited under subsection (6), order re-delivery thereof to the accused upon security by bond, with two sureties, in an amount and form satisfactory to the Minister, being given to Her Majesty or upon security of a cash deposit, in an amount satisfactory to the Minister, being given to Her Majesty.

Vessel or goods to be returned unless proceedings instituted

(8) Any vessel, vehicle, article, goods or fish seized under subsection (1) or the proceeds realized from a sale thereof under subsection (3), except any article, goods or fish forfeited under subsection (6), shall be returned or paid to the person from whom the vessel, vehicle, article, goods or fish were taken if the Minister decides not to institute a prosecution in respect of the alleged offence, and in any event, shall be returned or paid upon the expiration of three months from the day of the seizure unless before that time proceedings in respect of the alleged offence are instituted.

Disposal of forfeited vessel, etc.

(9) Except as provided in section 59, any vessel, vehicle, article, goods or fish forfeited under subsection (5) or (6) shall, after the

expiration of thirty days from the date of the forfeiture, be disposed of as the Minister directs.

Disposal of  
forfeited lobster  
trap

(10) Notwithstanding subsection (9), any lobster trap forfeited under subsection (6) may, at the time of forfeiture, be disposed of as the Minister directs.

Return of vessel or  
goods if no  
forfeiture ordered

(11) Where any vessel, vehicle, article, goods or fish have been seized pursuant to subsection (1) and proceedings in respect of the offence have been instituted, but the vessel, vehicle, article, goods or fish or any proceeds realized from the sale thereof under subsection (3) are not, at or within thirty days after the final conclusion of the proceedings, ordered to be forfeited under subsection (5), and have not been forfeited under subsection (6), they shall be returned forthwith, or the proceeds shall be paid forthwith, to the person from whom the vessel, vehicle, article, goods or fish were taken, unless there has been a conviction and a penalty imposed, in which case the vessel, vehicle, article, goods or fish may be detained until the penalty is paid, or the vessel, vehicle, article, goods or fish may be sold under execution in satisfaction of the penalty, or the proceeds realized from a sale of any article, goods or fish pursuant to subsection (3) may be applied in payment of the penalty.

Release of seized  
fish

(12) Notwithstanding anything contained in this section, a fishery officer may, at the time of seizure, return to the water any fish seized pursuant to subsection (1) that the fishery officer believes to be alive. 1960-61, c. 23, s. 10.

Punishment not  
otherwise provided  
for

**61.** (1) Except as otherwise provided in this Act, every person who contravenes any provision of this Act or the regulations is guilty of an offence and liable on summary conviction to a fine not exceeding five thousand dollars or to imprisonment for a term not exceeding twelve months or to both.

- Who shall be liable **62.** When not otherwise specified every proprietor, owner, agent, tenant, occupier, partner or person actually in charge, either as occupant or servant, shall be deemed to be jointly and severally liable for any penalties or moneys recovered under any of the provisions of this Act, or of any regulation. R.S., c. 119, s. 67.
- Offences by fishery officers **63.** Any fishery officer or fishery guardian, who violates this Act or any regulation, or who aids, abets or connives at any violation of this Act or of any regulation, is liable upon summary conviction before any recorder, commissioner of police, judge of the sessions of the peace, police, stipendiary or district magistrate or any two justices of the peace, to a penalty not exceeding five hundred dollars and costs or six months imprisonment and not less than one hundred dollars and costs or three months imprisonment. R.S., c. 119, s. 68.
- Time limit **64.** Any proceedings by way of summary conviction in respect of an offence under this Act may be instituted at any time within two years after the time when the subject-matter of the proceedings arose.
- Form of procedure **65.** Except in so far as in this Act is otherwise specially provided all penalties and forfeitures incurred under this Act or under any regulation are recoverable and enforceable by summary proceedings taken under the provisions of the Criminal Code relating to summary convictions. R.S., c. 119, s. 72.
- No quashing for want of form **66.** No proceedings or conviction under this Act or under any regulation under it shall be set aside or quashed on certiorari or otherwise for irregularity or defect in form, and no warrant of arrest or commitment shall be held void by reason of any defect therein, if it is therein alleged that the defendant has been convicted, and there is a good and valid conviction to sustain the same. R.S., c. 119, s. 73.

Jurisdiction

**70.** All courts and justices in Canada have the same jurisdiction with respect to offences under this Act as they have under sections 681 to 684 of the Canada Shipping Act and the provisions of those sections apply to offences under this Act in the same manner and to the same extent as they apply to offences under the Canada Shipping Act. 1960-61, c. 23, s. 13.

Application of Act  
to Her Majesty

**71.** This Act is binding on Her Majesty in right of Canada or a province and any agent thereof.

# CHAPTER 849

## FISHERIES ACT

### Ontario Fishery Regulations

#### REGULATIONS RESPECTING FISHING IN THE PROVINCE OF ONTARIO

##### *Short Title*

1. These Regulations may be cited as the *Ontario Fishery Regulations*.

##### *Interpretation*

2. (1) In these Regulations,

“angler” means a person taking or attempting to take fish by means of a hook and line or a hook, line and rod when he is tending it and includes a person who is casting or trolling but does not include a person taking or attempting to take fish by means of a set line when he is not tending it and “angle” and “angling” have corresponding meanings; (*pêcheur à la ligne*)

“Atlantic salmon” includes “ouananiche”; (*saumon atlantique*)

“bait fish” means any member of the minnow family Cyprinidae except carp, *Cyprinus carpio* Linnaeus and goldfish, *Carrassius auratus* Linnaeus, the mudminnow family Umbridae, the sucker family Catostomidae, the stickleback family Gasterosteidae, the trout-perch family Percopsidae, the sculpin family Cottidae, the genus *Leucichthys* of the whitefish family Coregonidae, and the darter subfamily Etheostomatinae; (*poisson-appât*)

S.O.R./81-293 s. 1(1)

“cisco” includes the shallow water cisco or herring, *Coregonus artedii* and the deep water cisco or chub, *C. hoyi*, *C. reighardi*, *C. alpenae*, *C. kiyi*, and *C. zenithicus*; (cisco)  
S.O.R./80-265, s. 1(1)

“closed season” means, in respect of any fish, every period that is not an open season in respect of that fish; (*période de fermeture*)

“coarse fish” means

(a) any member of the gar family Lepisosteidae,

- (b) bowfin or dogfish, *Amia calva* Linnaeus,
  - (c) bullhead, catfish or any member of the family Ictaluridae,
  - (d) burbot or ling, *Lota lota* (Linnaeus),
  - (e) carp, *Cyprinus carpio* Linnaeus or any member of the family Cyprinidae,
  - (f) eel, *Anguilla rostrata* (LeSueur),
  - (g) freshwater drum or sheepshead, *Aplodinotus grunniens* Rafinesque,
  - (h) smelt, *Osmerus mordax* (Mitchill), and
  - (i) sucker, mullet, red horse or any member of the family Catostomidae; (*poisson commun*)
- “commercial fish” means fish other than game fish; (*poisson marchand*)

“commercial fishing” means the taking for sale of fish, other than game fish, by means of any hook line, spear, minnow trap, dip net, gill net, hoop net, pound net, seine net, trammel net, trap net, trawl net or trolling line; (*pêche commerciale*) S.O.R./79-824, s. 1.

“crappie” includes black crappie, calico bass or speckled bass *Pomoxis nigromaculatus* (LeSueur), and white crappie *Pomoxis annularis* Rafinesque; (*crapet*)

“Department” means the Ministry of Natural Resources of Ontario; (*ministère*)

“dressed sturgeon” means a sturgeon from which the head, tail and entrails have been removed; (*esturgeon habillé*)

“dressed weight” means, in respect of lake trout or whitefish, the weight of the fish after the entrails and gills have been removed; (*poids habillé*)

“extension measure” means the distance between the extreme angles of a single mesh measured with a metal rule or gauge of a type authorized by the Minister inside and between the knots after the twine has been saturated in water and extended until taut by a weight of not less than 212 grams and not more than 241 grams and without breaking the twine, slipping a knot or bending the metal rule; (*en extension complète*) S.O.R./80-895 s. 1(1)

“game fish” means

- (a) Atlantic salmon, *Salmo salar* Linnaeus,
- (b) aurora trout, *Salvelinus timagamiensis* Henn and Rinkensbach,
- (c) brook trout, *Salvelinus fontinalis* (Mitchill),
- (d) brown trout, *Salmo trutta* Linnaeus,
- (e) largemouth bass, *Micropterus salmoides* (Lacépède),
- (f) muskellunge, *Esox masquinongy* Mitchill and the hybrid of

the muskellunge and the northern pike, S.O.R./81-293 s. 1(2)

(g) rainbow trout, *Salmo gairdnerii* Richardson, and

(h) smallmouth bass, *Micropterus dolomieu* Lacépède; (*poisson de sport*)

“lake trout” (*Salvelinus namaycush*, Walbaum) includes common lake trout, Great Lakes trout, grey trout, Makinaw trout, siscowet and splake (a cross breed of brook trout and lake trout); (*truite grise*)

“large-mesh trawl net” means a trawl net having a cod end the mesh size of which is 50 millimetres or more extension measure; (*chalut à grandes mailles*) S.O.R./80-895 s. 1(2)

“licence” means an instrument issued under *The Game and Fish Act*, R.S.O. 1970, Chapter 186, or the regulations made thereunder, conferring upon the holder the privilege to do the things set forth in the instrument, subject to the conditions, limitations and restrictions contained in it and the Act, the regulations made thereunder and these Regulations, but no licence shall be or operate as a lease; (*permis*)

“Minister” means the Minister of Natural Resources for Ontario and includes any person authorized by him to act on his behalf; (*Ministre*)

S.O.R./80-265 s. 1(2)

“non-resident” means a person who is not a resident of Ontario or a resident of Canada; (*non-domicilié*)

“officer” Revoked

S.O.R./81-293 s. 1(3)

“open season” means, in respect of any fish, a specified period during which that fish may be taken; (*période d'ouverture*)

“organized camp” means a camp in Ontario occupied by at least five boys or five girls who are under the age of 17 years and are in the charge of an adult; (*camp organisé*)

“Pacific salmon” includes coho salmon, chinook salmon, kokanee salmon, pink salmon and any member of the genus *Oncorhynchus*; (*saumon du Pacifique*)

“perch” means yellow perch, *Perca flavescens* Lacépède; (*perche*)

“pike” includes northern pike, (*Esox lucius*, Linnaeus), great northern pike, grass pike and jackfish; (*brochet*)

“pound net” means an impounding net in which

(a) the main part of the net, including the crib, pot or car and the bent wings, commonly known as the “heart”, extends

to the surface of the water and is supported and held in place by stakes driven into the bed of the lake, and  
(b) the top of the crib, pot or car is not covered by netting;  
(*parc en filet*)

“provincial park” means

(a) Algonquin Provincial Park,

(b) Lake Superior Provincial Park, and

(c) Quetico Provincial Park; (*parc provincial*)

“rainbow trout” includes steelhead trout and Kamloops trout; (*truite arc-en-ciel*)

“resident of Canada” means a person who has actually resided in any part of Canada other than Ontario for a period of seven months during the 12 months immediately preceding the time that his residence becomes material under these Regulations; (*domicilié du Canada*)

“resident of Ontario” means a person who has actually resided in Ontario for a period of seven months during the 12 months immediately preceding the time that his residence becomes material under these Regulations; (*domicilie de l'Ontario*)

“round weight” means, in respect of lake trout or whitefish, the weight of the fish before the removal of the entrails and gills; (*poids entier*)

“sauger” means eastern sauger or sand pickerel, *Stizostedion canadense* (Smith); (*doré noir*)

“small-mesh trawl net” means a trawl net having a cod end the mesh size of which is less than 50 millimetres extension measure; (*chalut à petites mailles*) S.O.R./80-895 s. 1(3)

“snagger” means an instrument made of a rigid or semi-rigid material with one or more hooks attached in such a manner that each is immovable and inflexible; (*croc*)

“snagging” means fishing for, attempting to fish for, catching or killing a fish with a hook or hooks of any instrument manipulated in such a manner as to pierce or hook a fish in any part of the body other than the mouth; (*crocher* or *casquer*)

“snare” means any instrument used for taking or attempting to take fish, other than a trolling line, hook and line, hook and line and a rod, hook line, dip net, gill net, hoop net, minnow trap, pound net, seine net, spear, trap net or trawl net and

“snaring” has a corresponding meaning; (*attrape*)

“spear” means a lance with barbed or unbarbed prongs that is capable of being held or thrown by hand; (*harpon*)  
S.O.R./81-293 s. 1(4)

S.O.R./81-293 s. 1(4)

"spear gun" includes any device, other than a crossbow or long bow, capable of propelling a spear; (*fusil à harpon*)

S.O.R./81-293 s. 1(5)

"total length" means, in respect of a fish, the distance from the tip of the head with the jaws closed to the tip of the tail with the lobes compressed so as to give the maximum possible measurement; (*longueur totale*)

"trap net" means an impounding net supported principally by buoys or floats and held in place by anchors, and in which the top of the crib, pot or car is covered by netting; (*trappe en filet*)

"walleye" means yellow pickerel, *Stizostedion vitreum vitreum*, (Mitchill) and includes doré, pike perch, walleye pike and yellow pike; (*doré jaune*)

S.O.R./81-293 s. 1(6)

"whitefish" means lake whitefish, *Coregonus clupeaformis* (Mitchill). (*poisson blanc*)

(2) For the purposes of these Regulations, the waters of Ontario are grouped into the divisions enumerated and described in Schedule I.

(3) The Minister may designate any rule or gauge as the rule or gauge for determining extension measure.

(4) In these Regulations, unless otherwise specified, whenever a period of time is set out, the period

(a) includes both the date of commencement and the date of termination; and

(b) begins and ends in the same year, except that where it is stated to end on a day in a month that occurs earlier in a calendar year than the month in which it begins, the period begins in one calendar year and ends in the next following calendar year.

### *Application*

3. (1) Except as provided in these Regulations, no person shall fish for or take fish from any of the waters of the province.

(2) The provisions of these Regulations pertaining to closed seasons and daily catch limits do not apply to angling on premises licensed under *The Game and Fish Act*, R.S.O. 1970. c. 186 as a fishing preserve.

(3) The holder of a licence to propagate bass and trout may use a dip net or seine net without the authority of a licence therefor on the premises where he propagates bass and trout.

## *Fishing Seasons*

4. (1) Subject to section 5, the fish described in Column I of an item of Schedule III may be taken by angling in the waters set out in Column III of the item during the open season set out for those waters in Column II of the item.

(2) Subject to section 5, the fish described in Column I of an item of Schedule XX may be taken by commercial fishing in waters set out in Column III of the item during the open season set out for those waters in Column II of the item.

(3) Subject to section 12, the fish described in Column I of an item of Schedule XI may be taken by a resident of Ontario by a method specified in Column II of that item during the part of the day specified in Column III of that item in the period specified in Column IV of that item in a part of Ontario designated in Column V of that item.

(4) Subject to section 12, the fish described in Column I of an item of Schedule XIII may be taken by a non-resident by a method specified in Column II of that item during the part of the day specified in Column III of that item in the period specified in Column IV of that item in a part of Ontario designated in Column V of that item.

(5) For the purposes of subsection (4) and sections 27 and 28, "non-resident" includes a resident of Canada.

(6) No person shall fish for, take or attempt to take fish during a closed season.

5. (1) No person shall fish for, take or attempt to take any fish in the parts of Ontario described in

(a) item 1 of Part I of Schedule VI from the 1st day of December in any year to the Friday preceding the last Saturday in April in the year next following;

(b) items 2, 3 and 4 of Part I of Schedule VI from the 16th day of November in any year to the day immediately preceding the open season for brook trout in those parts of Ontario; and

S.O.R./81-293 s. 2.

(c) items 5 and 6 of Part I of Schedule VI from the 1st day of October in any year to the Friday preceding the last Saturday in April in the year next following.

S.O.R./82-500 s. 1.

(2) Subsection (1) does not apply to the taking of any fish mentioned in Column I of an item in Part II of Schedule VI by

the method specified in Column II of the item during the period specified in Column III of the item in the parts of Ontario designated in Column IV of the item.

(3) Any closed season fixed by these Regulations may be varied by order of the Minister.

(4) Paragraph (1)(c) does not apply to the taking of bait fish by commercial fishing.

(5) Where, for the conservation of fish in an area, it is necessary to prevent the use of a type of fishing gear in that area, the Minister may cause to be published in a local newspaper or broadcast over a local radio station a notice stating that, until further notice, the use of that type of fishing gear in that area is prohibited.

(6) Where the use of a type of gear and an area are specified in a notice referred to in subsection (5), no person shall use that type of fishing gear in that area until further notice. S.O.R./78-662, s.1.

### *Fishing Quotas*

6. (1) Any fishing quota fixed by these Regulations may be varied by order of the Minister.

(2) Where the Minister is of opinion that a quota fixed by or varied under these Regulations for any waters in respect of any fish has been or is about to be reached, he may order that any nets used in fishing for such fish be removed from those waters before a time specified in the order.

(3) No person shall violate an order made under subsection (1) or (2).

7. No person shall during the period specified in Column II of an item of Schedule VII fish for or take the species of fish specified in Column I of the item from the waters designated in Column III of the item after the date on which the aggregate weight of that species taken from the waters during the period exceeds the weight specified in Column IV of the item.

### *Size Limits*

8. No person shall retain, keep out of the water or have in his possession without lawful excuse

(a) a fish named in Column I of an item of Schedule VIII taken by commercial fishing from the waters designated in Column II of the item that is less than the size prescribed in Column III of the item;

- (b) a fish named in Column I of an item of Schedule IX taken by angling from the waters designated in Column II of the item that is less than the size prescribed in Column III of the item; or
  - (c) revoked
- S.O.R./80-265 s. 2

9. (1) Subject to subsection (2), no person shall have in his possession any dressed sturgeon

- (a) that is not in one piece; or
- (b) from which the dorsal fin has been removed.

(2) Subsection (1) does not apply where the dressed sturgeon has been prepared for immediate human consumption or for immediate canning.

10. Every person who catches any fish, the catching, taking or retaining of which is contrary to these Regulations, shall immediately return such fish to the water from which it was taken.

#### *Daily Catch and Possession Limits*

11. (1) Subject to subsection (2), no person shall fish for, take, or attempt to take by angling, in one day, more than the number or weight set out in Column II of an item of Schedule X of the fish specified in Column I of the item.

(2) No person shall fish for, take or attempt to take, by angling, in one day, more than the number set out in Column III of an item of Schedule X of the fish specified in Column I of the item from the parts of Ontario designated in Column IV of the item during the period set out in Column V of the item.

S.O.R./81-429 s. 1

(3) Notwithstanding subsections (1) and (2), no person shall fish for, take or attempt to take by angling, in one day, more than five brook trout and rainbow trout in the aggregate from the waters described in Schedule XXII.

(4) Subject to subsection (5), no person shall have in his possession at any time more than the number or weight set out in Column II of an item of Schedule X of the fish specified in Column I of the item.

(5) No person shall have in his possession at any time more than the number or weight set out in Column III of an item of Schedule X of the fish specified in Column I of the item, taken from the parts of Ontario designated in Column IV of the item.

(6) Notwithstanding subsections (4) and (5), no person shall have in his possession at any time more than five brook trout and rainbow trout in the aggregate taken from the waters described in Schedule XXII.

(7) Revoked S.O.R./82-500 s. 2.

**"11.1** (1) Notwithstanding section 11, where three or more non-residents are angling from a boat in the waters of Lake Erie or Lake of the Woods, the aggregate number of yellow pickerel that may be taken or possessed in one day by such non-residents is 18."

S.O.R./82-500 s. 3.

(2) Where the aggregate number of yellow pickerel possessed by non-residents angling from a boat as described in subsection (1) exceeds the number specified in subsection (1), each non-resident angling from the boat is guilty of an offence.

S.O.R./80-265 s. 3

### *Means of Fishing*

**12.** (1) Subject to subsection (3), no person shall, except under a licence prescribed therefor, take or attempt to take fish by any means.

(2) Except while fishing under the authority of subsection 4(3), no person shall have a spear in his possession on any waters or within 30 metres of the edge thereof.

S.O.R./80-895 s. 2

(3) A resident of Ontario may, without an angling licence, take fish by means of angling or pursuant to subsection 4(3).

**"13.** Except when angling through ice, no person shall angle with more than one line.

**13.1** (1) No person shall angle through ice with more than two lines except in the waters of Labyrinth Lake, in the geographic Township of Ossian in the Territorial District of Timiskaming where angling through ice is permitted with not more than five lines.

(2) Notwithstanding subsection (1), no person shall angle through ice in the waters of division 29 with more than one line.

**13.2** (1) No person angling through ice shall

(a) be more than 60 m from any line with which he is angling; and

(b) maintain other than a clear and unobstructed view of any line with which he is angling.

(2) Subject to subsection (3), no person shall angle with a line to which there is attached more than four hooks.

(3) For the purposes of subsection (2), where an artificial lure is used, three hooks in a gang are deemed to be one hook.

**13.3** No person shall take or attempt to take fish by snagging, but a gaff or other similar device may be used to land any fish that is taken by angling or other lawful means.

S.O.R./82-500 s. 4.

**13.4** (1) No person shall

(a) take or attempt to take fish by means of a spring gaff;  
or

(b) have a spring gaff in his possession on or within 30 m of the edge of any waters of Ontario

(2) No person shall

(a) take or attempt to take fish by means of a snagger or snare; or

(b) have a snagger or snare in his possession on or within 30 m of the edge of any waters of Ontario.

(3) No person shall

(a) use or attempt to use a spear gun for the purpose of taking fish; or

(b) be in possession of a spear gun on or within 30 m of the edge of any waters of Ontario."

S.O.R./82-500 s. 4.

**14.** No person shall use artificial lights for the taking of fish.

**15.** No person shall use dynamite or other explosive material

(a) for the taking or destruction of fish; or

(b) in a manner which might cause the unnecessary destruction of fish.

**16.** (1) No person shall fish in any of the waters set out in Schedule XII by any means except an artificial fly.

(2) For the purposes of this section, "artificial fly" means a single or double hook dressed with silk, tinsel, wool, fur, feathers or any combination of these or other materials commonly used in making artificial flies but does not include a fly that has a spinning device or a weight to cause the fly to sink.

17. No person shall use a boat propelled by electric, gasoline, oil or steam motive power for the taking of fish in the Lake on the Mountain in the Township of North Marysburgh in Prince Edward County.

*Export, Import and Transfer of Fish*

18. (1) No person shall, except with the written consent of the Minister,

- (a) import or bring any live fish or spawn into Ontario for the purpose of placing them in any of the waters of Ontario;
- (b) import or bring into Ontario any live bait fish or piranha (*Serrasalmus sp.*); or
- (c) transfer any fish or spawn from any body of water to another body of water within Ontario.

(2) No person shall

- (a) import or bring into Ontario, or
  - (b) transfer from any body of water to another body of water within Ontario,
- any live lamprey in any stage of development.

“(3) Notwithstanding paragraph (2)(a), the Minister may authorize a person to import or bring into Ontario live lamprey in any stage of development, where such lamprey are for the purpose of scientific research.”

S.O.R./82-500 s. 5.

19. No person shall transfer within Ontario any fish taken by angling that are skinned, cut or packed so that

- (a) the species of any such fish cannot be readily identified;
- (b) the number of such fish cannot be readily identified; or
- (c) the length of such fish cannot be readily determined when minimum size limits are applicable.

20. (1) No person shall ship or transport or cause to be shipped or transported, or receive or possess for shipment or transport, any fish caught, taken or killed within Ontario at a time or in a manner prohibited by these Regulations.

(2) Except with the written consent of the Minister no person shall export or take from Ontario any live fish, including bait fish, taken by any means.

21. No holder of a non-resident angling licence shall export or take or attempt to export or take from Ontario any fish taken under the authority of that licence that are so skinned, cut or packed that

- (a) the species of any such fish cannot be readily identified;
- (b) the number of such fish cannot be readily identified; or
- (c) the length of such fish cannot be readily determined when minimum size limits are applicable.

### *Bait*

22. (1) Subject to subsection (2), no person shall use or have in his possession for the purpose of taking or attempting to take fish

- (a) any live fish except bait fish; or
- (b) lamprey of any species in any stage of development.

(2) Live alewife or live yellow perch may be used or possessed for the purpose of taking or attempting to take fish in the waters described in items 1 to 14, both inclusive, of Schedule II.

(3) No person shall use or have in his possession any live bait fish while angling in the waters described in Schedule XIV.

(4) No person, other than the holder of a bait fish dealer's licence or a commercial licence that authorizes the taking of bait fish, shall take or have in his possession

- (a) from October 15th to March 31st, bait fish weighing in the aggregate more than 18 kilograms; and  
S.O.R./80-895 s. 4
- (b) from April 1st to October 14th, bait fish in excess of 50 fish.

(5) Except under a bait fish dealer's licence, no person shall sell, barter or offer for sale or barter any live bait fish or any other live fish to be used for the purpose of taking or attempting to take fish.

(6) Except with the consent of the Minister under subsection 18(1), no person shall liberate any live bait fish into any waters other than those from which they were originally taken.

(7) Except under a licence to preserve bait fish, no person shall preserve bait fish for sale.

(8) No person shall use or have in his possession any Cisco for the purpose of taking or attempting to take fish from the waters set out in Division 29 of Schedule I.  
S.O.R./81-429 s. 2

23. (1) Subject to sections 12 and 22 and subsections (2) to (5) of this section, a person may take bait fish for his own use by means of a dip net or a trap.

(2) No person shall use more than one dip net to take bait fish for his own use.

(3) No person, except the holder of a licence to take bait fish for commercial use, shall, to take bait fish, use a dip net the dimensions of which are greater than

(a) 92 centimetres by 92 centimetres where the dip net is angular; or

(b) 92 centimetres in diameter where the dip net is circular.

S.O.R./80-895 s. 5(1)

(4) No person shall use more than one trap to take bait fish for his own use.

(5) No person shall, to take bait fish for his own use, use a trap

(a) the length of which is greater than 51 centimetres; or

(b) the diameter of which is greater than 31 centimetres.

S.O.R./80-895 s. 5(2)

**24.** (1) Subject to subsections (2) and (3), any person under the authority of an angler's bait fish licence may, to take bait fish for his own use, use

(a) one seine net;

(b) one angular dip net, but the dimensions of the dip net shall not be greater than 183 centimetres by 183 centimetres; or

(c) one circular dip net, but the diameter of the dip net shall not be greater than 183 centimetres.

S.O.R./80-895 s. 6(1)

(2) No holder of an angler's bait fish licence shall use a seine net to take bait fish except in

(a) the waters described in items 1 to 6, both inclusive, and items 15 and 16 of Schedule II; or

(b) those waters other than waters in Quetico Provincial Park, described in item 1 of Schedule V.

(3) No holder of an angler's bait fish licence shall use in

(a) the waters referred to in paragraph 2(a), a seine net the dimensions of which are greater than 10 metres by 2 metres; or

(b) the waters referred to in paragraph 2(b), in which seine nets may be used, a seine net the dimensions of which are greater than 4 metres by 2 metres.

S.O.R./80-895 s. 6(2)

#### *Angling Licences*

**25.** For the purpose of any section regulating angling in the

waters set out in Division 12 of Schedule I,

- (a) the holder of a licence referred to in subsection 4(4) of the *Quebec Fishery Regulations* is deemed to be a resident of Ontario; and
- (b) the holder of a licence referred to in subsection 4(3) of the *Quebec Fishery Regulations* is deemed to be the holder of a Canadian resident angling licence.

**26.** (1) Subject to subsection 27(1), a non-resident shall not angle unless

- (a) he angles under a non-resident angling licence, or a non-resident angling licence for a member of an organized camp; and
- (b) he has that licence on his person while angling.

(2) A resident of Canada shall not angle unless

- (a) he angles under a Canadian resident angling licence; and
- (b) he has that licence on his person while angling.

**27.** (1) A non-resident under the age of 17 years may angle without an angling licence if he is accompanied by a member of his family who holds a non-resident angling licence.

(2) Fish taken by a non-resident under the age of 17 years in accordance with subsection (1) shall be included in the catch of the holder of the non-resident angling licence.

**28.** A non-resident angling licence for a member of an organized camp shall not be issued until at least five members of the camp each apply for and pay the prescribed fee for such a licence.

### *Licences Other than Angling Licences*

**29.** (1) Licences other than angling licences include

- (a) a licence to take fish for personal use by means of a dip net;
- (b) a commercial fishing licence;
- (c) a commercial fishing licence (carp only);
- (d) a commercial fishing licence (sturgeon only);
- (e) a licence to take smelts for personal use;
- (f) a licence to take bait fish for personal use for angling;
- (g) a bait fish dealer's licence;
- (h) a licence to preserve bait fish;
- (i) a licence to sell bass or trout;
- (j) a licence to take fish by means other than angling; and
- (k) a fishing preserve licence.

(2) No licence set out in paragraphs 1(a) to (d), other than a commercial fishing licence that authorizes the taking of bait fish, shall be issued to a non-resident or a resident of Canada.

(3) No licence referred to in paragraphs 1(a), (b), (c), (d), (g), (h), (i) and (k) shall be issued to a person under the age of 16 years.

(4) The Minister may, in any commercial fishing licence, designate

- (a) the waters and the species, size and quantity of fish for which the licence is valid;
- (b) the means of taking the fish for which the licence is valid;
- (c) the use for which any fish may be taken;
- (d) the number of nets and the size of the mesh thereof and any other fishing devices that may be used;
- (e) the dimensions of nets or other fishing devices and the materials that may be used in the construction thereof;
- (f) the period of time during which fishing operations may be conducted; and
- (g) the person or persons who may conduct fishing operations under the licence.

(5) The Minister may, in any licence, impose such terms and conditions as are necessary for the conservation of fish and are not inconsistent with these Regulations and, without restricting the generality of the foregoing, may impose terms and conditions respecting the method of

- (a) loading,
- (b) landing,
- (c) handling,
- (d) transporting,
- (e) possessing, and
- (f) disposing, of commercial fish.

S.O.R./80-265 s. 4(1)

(6) No holder of a licence shall violate any of the terms or conditions of the licence.

(7) A licence referred to in paragraphs 1(b), (c), (d), (g), (h), (i) and (k) may be issued to a corporation.

S.O.R./80-265 s. 4(2)

### *General Conditions Applicable to Commercial Fishing*

**30.** No person, other than the holder of a commercial fishing licence (carp only), shall set or place, or cause to be set or placed, the fishing gear mentioned in Column I of an item of

Schedule XV in the waters mentioned in Column II of that item during the period mentioned in Column III of the item.

**31.** Except when authorized by a licence, no person shall set or place, or cause to be set or placed, any net, other than a dip net, hoop net or seine net, in any river, stream or creek or within 1 kilometre of the mouth thereof.  
S.O.R./80-895 s. 7

**32.** No person who has set or placed in any water any net, trap or hooks for taking fish shall leave any such net, trap or hooks set in such manner or for such length of time as to allow any fish so taken to deteriorate or spoil.

**33.** No person shall set or place a gill net within 0.8 kilometres of a pound net set by any other person.  
S.O.R./80-895 s. 8

**34.** No holder of a commercial fishing licence shall take from Lake Nipigon, from September 5th to October 15th in any year, both dates inclusive, an aggregate round weight of lake trout in excess of 1/10 of the aggregate round weight of all other fish taken by that person from Lake Nipigon during that period under the authority of the licence.

**35.** No holder of a commercial fishing licence shall set or place in the waters of Lake of the Woods a hook line, gill net, hoop net, pound net, trammel net or trap net unless

- (a) any such fishing device is marked at each end thereof by a buoy surmounted by a shaft;
  - (b) the tip of each shaft is at least 53 centimetres above the water; and
  - (c) the upper extremity of each shaft has attached thereto an orange flag measuring 22 centimetres by 22 centimetres.
- S.O.R./80-895 s. 9

#### *General Conditions of Gill Net Licences*

**36.** (1) Subject to subsection (2), no person shall set or place in any waters described in Column I of an item of Schedule XVI, more metres of gill net than the maximum specified in Column II of that item.  
S.O.R./80-895 s. 10

(2) No holder of a commercial fishing licence shall at any time use a quantity of nets or other fishing gear greater than the quantity specified in the licence.

37. No person shall set or place a gill net in that part of Lake Erie in Essex County during the closed season for commercial fishing for (walleye) yellow pickerel in such a manner that any part of the lower edge of the netting is floated off the bottom of the lake.

*Conditions of Dip Net Licences to take Fish for Personal Use*

38. (1) Subject to subsection (2), no holder of a dip net licence to take fish for personal use shall use a dip net to take fish between sunset and sunrise, or to take fish other than coarse fish.

(2) Where so provided in the licence, the holder of a dip net licence to take fish for personal use may take whitefish and herring by means of a dip net at any time during the months of October, November and December in any year from the waters specified in the licence.

(3) No holder of a licence mentioned in subsection (1) shall use

(a) more than one dip net; or

(b) a dip net the dimensions of which are more than

(i) 183 centimetres by 183 centimetres where the dip net is angular, or

(ii) 183 centimetres in diameter where the dip net is circular.

S.O.R./80-895 s. 11

(4) No person taking fish under the authority of a licence mentioned in subsection (1) shall sell or barter, or attempt to sell or barter the fish so taken.

*Special Conditions of Gill Net Licences*

39. (1) This section applies only to commercial fishing in Lake Nipigon.

(2) No holder of a commercial fishing licence that authorizes the use of a gill net, other than a holder who is a member of the Gull Bay Band of Indians, the Rocky Bay Band of Indians or the Whitesand Band of Indians, shall set a gill net in that part of Kaiashk Bay (also known as Gull Bay) lying west of a straight line drawn from the easterly extremity of Nazoteka Point to Champlain point or in that part of McIntyre Bay between the mainland and a straight line drawn from the portage on the easterly shore to the southerly end of Piwabik Island and thence in a straight line to the northwest shore drawn through the most northerly point of Faribault Island.

(3) No holder of a commercial fishing licence that authorizes the use of not more than 5,500 metres of gill net, shall take more yellow pickerel, sturgeon, lake trout or whitefish than exceeds in the aggregate the amount specified in the licence.  
S.O.R./80-895 s. 12(1)

(4) A licence described in subsection (3) may be issued only to a member of the Gull Bay Band of Indians, the Rocky Bay Band of Indians or the Whitesand Band of Indians and, when such a licence has been issued to such a member, each other member of the band is deemed to be the holder of such a licence.

(5) No holder of a commercial fishing licence that authorizes the use of not more than 11 000 metres of gill net shall take more than 23 000 kg of yellow pickerel, sturgeon, lake trout and whitefish in the aggregate.

(6) No holder of a commercial fishing licence that authorizes the use of more than 22 000 metres of gill net shall take more than 46 000 kg of yellow pickerel, sturgeon, lake trout and whitefish in the aggregate.

(7) No holder of a commercial fishing licence that authorizes the use of a gill net shall use at one time more than 1850 metres of gill net for taking sturgeon.  
S.O.R./80-895 s. 12(2)

**40.** (1) Subject to subsection (2), no person shall use in Lake Ontario a gill net of monofilament nylon mesh.

(2) Subsection (1) does not apply to the setting or placing of gill nets for the purpose of taking carp or yellow perch.  
S.O.R./80-265 s. 5

**41.** No holder of a commercial fishing licence that authorizes the use of more than 4600 metres of gill net in Lake Superior, Lake Huron, Lake Erie or Lake Ontario shall use, for the purpose of the licence, a boat other than the boat specified in the licence.  
S.O.R./80-895 s. 13

### *Conditions of Carp Gill Net Licences*

**42.** (1) No holder of a commercial fishing licence (carp only) shall use at any one time under that licence more than 2750 metres of gill net.  
S.O.R./80-895 s. 14

(2) A commercial fishing licence (carp only) is not valid for the taking of fish other than carp.

(3) Notwithstanding subsection (2), any coarse fish other than carp accidentally taken during the open season for carp may be retained or sold.

#### *Conditions of Sturgeon Gill Net Licences*

43. (1) No person shall fish for, take or attempt to take sturgeon by means of a gill net in waters other than Lake Superior, Lake Huron, including North Channel and Georgian Bay, Lake Erie, Lake Ontario and Lake Nipigon, except under the authority of a commercial fishing licence (sturgeon only).

(2) No holder of a commercial fishing licence (sturgeon only) shall, in the waters mentioned in subsection (1), use at any time under the authority of that licence more than 1850 metres of gill net.

S.O.R./80-895 s. 15

(3) A commercial fishing licence (sturgeon only) is not valid for the taking of fish other than sturgeon.

#### *Conditions of Pound Net Licences and Trap Net Licences*

44. (1) No person shall in Lake St. Clair set a trap net that has  
S.O.R./81-293 s. 4

(a) more than one pot;

(b) a pot more than 915 centimetres long;

(c) a pot more than 153 centimetres wide;

(d) a pot more than 153 centimetres deep;

(e) more than one lead; and

(f) a lead more than 100 metres long.

S.O.R./80-895 s. 16

(2) No holder of a commercial fishing licence authorizing the use of pound nets in Lake Nipissing shall take any yellow pickerel or pike under the authority of that licence.

45. No person shall set two or more pound nets or trap nets in such a manner that the space clear of twine between any pound net or trap net and any other pound net or trap net is less than 15 metres.

S.O.R./80-895 s. 17

45.1 No person shall take any pike, sturgeon, trout of any species, or yellow pickerel by means of a trap net in Lake

Ontario or any part of the St. Lawrence River, including Lake St. Lawrence.  
S.O.R. 80-265 s. 6

#### *Conditions of Trawl Net Licences*

**46.** (1) No holder of a commercial fishing licence that authorizes the use of a trawl net shall

(a) have a large-mesh trawl net and small-mesh trawl net on board a fishing boat or vessel at the same time; or

(b) have a trawl net on board a fishing boat or vessel at a time when

(i) there is a gill net, trap net or pound net on board that fishing boat or vessel, or

(ii) the holder of the licence, or his employee or agent, has a gill net, pound net or trap net set in the water.

(2) Notwithstanding the terms and conditions of any commercial fishing licence that authorizes the use of a trawl net, the holder of such a licence, while trawling for smelt in Lake Erie,

(a) shall not take more than 19 000 kg of fish during a period of 7 days ending on a Saturday; and

S.O.R./80-895 s. 18

(b) may take and retain, in addition to smelt, any other commercial fish, except that the aggregate quantity of any blue pickerel, perch, sauger, sturgeon, white bass or yellow pickerel taken in 1 day shall not exceed 10 per cent of the total weight of the catch taken on that day.

#### *Conditions of Hoop Net Licences*

**47.** (1) In this section,

“single hoop net” means a hoop net having one pot;

“double hoop net” means a hoop net having two pots joined by one lead.

(2) No person shall set a hoop net that has

(a) more than one lead;

(b) any lead more than 41 metres in length;

(c) any wing more than 4 metres in length;

(d) any hoop more than 2 metres in diameter, where the hoop is circular;

(e) in the case of hoops that are not circular,

(i) more than 2 metres between the extreme points of the hoop net measured in a vertical direction, or

- (ii) more than 2.5 metres between the extreme points of the hoop net measured in a horizontal direction; or  
S.O.R./80-895 s. 19(1)

(f) any pot with more than five throats.

(3) No person shall set two or more hoop nets in such a manner that the space clear of the twine between each hoop net is less than 6 metres.

S.O.R./80-895 s. 19(2)

(4) Unless otherwise provided in the licence, the holder of a commercial fishing licence under which he is authorized to use two or more hoop nets may convert any two hoop nets into one double hoop net and, for the purposes of such licence, a double hoop net shall be deemed to be two hoop nets.

(5) No person shall take any pike, sturgeon, trout of any species or yellow pickerel by means of a hoop net.

48. No person trolling under the authority of a commercial fishing licence shall use,

(a) more than one boat;

(b) more than two trolling lines; or

(c) a trolling line having more than four hooks.

#### *Conditions of Licences to Use Hooks*

49. No holder of a licence to take fish for commercial use by means of hooks authorizing the taking in the waters mentioned in Column I of an item in Schedule XVII of the fish mentioned in Column II of the item shall

(a) take any fish other than the fish mentioned in Column II of the item; or

(b) use more than the maximum or less than the minimum number of hooks specified in Column III of the item.

#### *Conditions of Dip Net Licences*

50. No holder of a commercial fishing licence that authorizes the use of a dip net for taking coarse fish or bait-fish shall fish with a dip net

(a) the dimension of which is more than 305 centimetres by 305 centimetres, where the dip net is angular; or

(b) that is more than 305 centimetres in diameter, where the dip net is circular.

S.O.R./80-895 s. 20

### *Conditions of Seine Net Licences*

**51.** Unless otherwise provided in his licence, no person shall take by means of a seine net any herring, pike, sturgeon, trout of any species, yellow pickerel or whitefish.

### *Conditions of Licences to Take Smelts for Personal Use*

**52.** (1) No holder of a licence to take smelts for personal use shall take smelts by means of a seine net, the dimensions of which are more than 10 metres by 2 metres.

S.O.R./80-895 s. 21

(2) A licence to take smelts for personal use,  
(a) is valid only in the months of March, April and May in any year; and  
(b) is not valid in the parts of Ontario mentioned in paragraphs (a) to (g), both inclusive, of Column V of item 6 of Schedule XI.

### *Conditions of Non-Resident Licences to take Fish by Means other than Angling*

**53.** A non-resident licence to take fish by means other than angling is valid only for the taking of fish in accordance with subsection 4(4).

### *Conditions of Commercial Trap Licences for Bait Fish*

**54.** No holder of a commercial fishing licence that authorizes the use of a trap to take bait fish shall use a trap the dimensions of which are more than 61 centimetres in diameter or in length.

S.O.R./80-895 s. 22.

### *Conditions of Bait Fish Dealers' Licences*

**55.** (1) Subject to subsection (2), no holder of a bait fish dealer's licence shall have in his possession for the purpose of selling or offering for sale as bait fish any live fish other than bait fish.

(2) Where so provided in the licence, the holder of a bait fish dealer's licence may have in his possession for the purpose of selling or offering for sale as bait fish live alewife and live yellow perch.

(3) The holder of a bait fish dealer's licence may possess and use dip nets and seine nets on the premises where he keeps bait fish, alewife or yellow perch for sale.

### *Conditions of Licence to Preserve Bait Fish*

56. (1) A licence to preserve bait fish is valid for preserving bait fish for sale to any person.

(2) A licence to preserve bait fish shall be issued only to a person who holds

- (a) a commercial dip net licence for bait fish;
- (b) a commercial seine net licence for bait fish;
- (c) a commercial trap licence for bait fish; or
- (d) a bait fish dealer's licence.

(3) The Minister may, in a licence to preserve bait fish, limit the total weight of bait fish that may be preserved under that licence.

### *Size of Mesh for Gill Nets*

57. (1) Subject to section 30 and subsections (2), (3) and (4) of this section, no person shall fish for, take or attempt to take any fish of a species named in Column III of an item of Schedule XVIII,

- (a) in the waters named in Column I of the item;
- (b) in the depth of water specified in Column II of the item;
- (c) during the period and subject to the conditions specified in Column IV of the item; and
- (d) by means of a gill net the mesh of which has an extension measure less than the minimum, or between the limits, or more than the maximum prescribed in Column V of the item.

(2) Except as provided in the licence, no person who is the holder of a commercial fishing licence that authorizes the use of gill nets shall fish for ciscoes anywhere in Lake Huron, including Georgian Bay, but not including the North Channel, at any depth greater than 37 m.

(3) Except as provided in the licence, no person who is the holder of a commercial fishing licence that authorizes the use of gill nets shall use a gill net the mesh size of which is greater than 140 mm, extension measure, in the North Channel of Lake Huron.

(4) Except as provided in the licence, no person who is the holder of a commercial fishing licence that authorizes the use of gill nets shall use a gill net the mesh size of which is less than 114 mm, extension measure, for the taking of ciscoes in Lake Superior, and in no case shall the mesh size be less than the

minimum or between the limits prescribed in column V of Schedule XVIII in respect of items 5, 6 and 7 thereof.

S.O.R./80-265 s. 7

S.O.R./80-895 s. 23.

### *General Restrictions on Use of Gill Nets*

**58.** (1) No person shall use or attempt to use any gill net in an area in which and at a time during which mature fish are not likely to be caught.

(2) No person in charge of or in control of any fishing boat or vessel, no owner of any fishing boat or vessel and no holder of a commercial fishing licence under the authority of which licensed fishing operations are carried on from such fishing boat or vessel shall have or permit the having on board such fishing boat or vessel any gill net the mesh of which has an extension measure prohibited under section 57.

### *Underweight or Undersized Fish Taken by Means Other than Angling*

**59.** (1) Subject to subsection (2) and notwithstanding anything else contained in these Regulations, where a person takes fish by means other than angling, he may retain a quantity of any underweight or undersized fish of any species not exceeding 10 per cent of the total weight of that species taken at that time.

(2) Subsection (1) does not apply to sturgeon.

(3) No person shall sell or barter underweight or undersized fish taken by any means.

### *General Provisions*

**60.** (1) No person shall take any fish or spawn from Ontario waters or have such fish or spawn in possession for the purpose of stocking, artificial breeding, or for scientific or educational purposes, except under the written authority of the Minister.

(2) Notwithstanding anything contained in these Regulations, the Minister may, subject to such conditions as may be imposed by him in writing, permit

(a) the experimental use of apparatus or gear designed for the catching of fish; or

(b) the removal from any specified waters of any specified species of fish.

**61.** No person shall possess any fish caught, taken or killed by means of

(a) spearing contrary to these Regulations; or

(b) snaring or snagging.

**62.** No person shall angle for any purpose within 25 metres of a pound net.

S.O.R./80-895 s. 24

**63.** (1) No person shall, for the taking of fish, set a net or baited hook line unless

(a) the net or baited hook line has attached to each end of it a buoy or stake,

(b) each such buoy or stake has attached to it a plate upon which the name of the owner of the net or hookline is legibly marked, and

(c) each such plate is visible from the surface of the water.

(2) No person shall set a trap for bait fish that is not legibly marked with the name of the owner thereof.

#### *Closed Waters*

**64.** Notwithstanding anything in these Regulations, no one shall fish for, take or attempt to take fish in any area described in Column I of an item of Schedule XIX during a period set out in Column II of the item, except under the authority of a special permit issued by the Minister for the area and for the period and upon such terms and conditions as may be fixed in the permit.

## SCHEDULE I

(ss. 2, 11 and 25)

### DIVISION OF WATERS

#### DIVISION 1

1. The waters of the Detroit River, Lake St. Clair, and the St. Clair River.

#### DIVISION 2

2. The waters of Lake Erie, Niagara River, that part of Lake Ontario lying west of longitude 78°, St. Joseph Island in the Territorial District of Algoma, and Lake Huron, excluding Georgian Bay and the North Channel.

#### DIVISION 3

3. Waters in the counties of Elgin, Essex, Haldimand, Kent, Lambton, Middlesex and Norfolk and The Regional Municipality of Niagara, except the waters described in Divisions 1 and 2.

#### DIVISION 4

4. Waters in the counties of Brant, Bruce, Dufferin, Grey, Huron, Perth, Oxford, Simcoe, Wellington, the Regional Municipalities of Halton, Hamilton, Hamilton-Wentworth, Peel, York and Waterloo, in the municipality of Metropolitan Toronto, the Regional Municipality of Durham except in the Town of Newcastle and in the Town of Scugog, and excepting the waters of Talbot River and its tributaries and the Trent Canal system in the Township of Brock, in the Regional Municipality of Durham and in the Township of Mara, in the County of Simcoe, excepting the part of Dalrymple Lake in the Township of Mara, in the County of Simcoe, excepting the waters of Beaverton River and its tributaries in the Township of Brock, in the Regional Municipality of Durham, extending upstream from Lake Simcoe to the first dam and excepting the waters described in divisions 2, 5 and 16.

S.O.R./82-500 s. 6.

#### DIVISION 5

5. The waters of lake Simcoe in the County of Simcoe and in the Regional Municipalities of Durham and York and of the Beaverton River and its tributaries in the Township of Brock, in the Regional Municipality of Durham extending upstream from Lake Simcoe to the first dam.

S.O.R./82-500 s. 6.

6. Waters in the counties of Northumberland and Victoria, in the Town of Newcastle and in the Town of Scugog, in the Regional Municipality of Durham, the waters of Talbot River and its tributaries and the Trent Canal system in the Township of Brock, in the Regional Municipality of Durham and in the Township of Mara, County of Simcoe, the part of Dalrymple Lake in the Township of Mara, in the County of Simcoe, excepting the part of Crowe Lake in the Township of Belmont and Methuen, and excepting part of the Trent River within the County of Northumberland lying south of Lock Number 9 at the head of Percy Reach and excepting the waters described in divisions 2 and 8 and including the waters in the County of Peterborough lying south of a line described as follows:

Beginning at the intersection of the westerly boundary of the Township of Harvey, in the County of Peterborough with the centre line of the King's Highway known as Number 36;

Thence in a general easterly direction following the centre line of the King's Highway to the intersection with the centre line of the King's Highway known as Number 28;

Thence southeasterly along that centre line to the high-water mark along the northerly shore of Stony Lake;

Thence in a general easterly direction following that high-water mark to the intersection with the northerly boundary of the Township of Dummer;

Thence in an easterly direction following that northerly boundary to the intersection with the westerly boundary of the Township of Belmont and Methuen formerly the Township of Methuen;

Thence southerly along the said westerly boundary of that township to the southwesterly corner of thereof;

Thence in an easterly direction following the southerly boundary of the former Township of Methuen to the southeasterly corner thereof."

S.O.R./82-500 s. 6.

#### DIVISION 7

7. Waters in the Provisional County of Haliburton, excluding Algonquin Provincial Park (but including that part of the York River lying southerly of High Falls in the Township of Bruton) and that part of the Township of McClintock lying north of that part of the King's Highway known as Number 60, and that part of the County of Peterborough lying north of a line described in Division 6, the County of Hastings excluding

Weslemkoon Lake in the Township of Cashel and that part of the Trent River lying south of Lock Number 9 at the head of Percy Reach in the County of Northumberland, that part of Crowe Lake in the Township of Belmont in the County of Peterborough and that part of the Territorial District of Muskoka lying south of a line described as follows:

Beginning at the northwesterly corner of the geographic Township of Freeman now in the Township of Georgian Bay in the District Municipality of Muskoka; thence easterly along the northerly boundary of that geographic township and part of the northerly boundary of the geographic Township of Medora now in the Township of Muskoka Lakes in the District Municipality of Muskoka to the centre line of that part of the King's Highway known as Number 169; thence in a general southeasterly and northeasterly direction following that centre line and the centre line of that part of the King's Highway known as Number 11 and Number 60 to the easterly boundary of the geographic Township of Franklin now in the Township of Lake of Bays in the District Municipality of Muskoka.

#### DIVISION 8

8. That part of Lake Ontario lying east of Longitude 78° including the North Channel and Bay of Quinte; waters in the County of Prince Edward; that part of the Trent River southerly of the dam known as Number 1; that part of the Moira River southerly of the first dam, in the city of Belleville, upstream from Lake Ontario; that part of the Salmon River southerly of the Shannonville Dam; that part of the Napanee River southerly of the dam in the Town of Napanee and that part of Lake Ontario lying west of a line described as follows:

Beginning at the southeasterly corner of the Township of Ernestown in the County of Lennox and Addington; thence in a southwesterly direction in a straight line to the most westerly extremity of Brother Islands; thence in a southeasterly direction in a straight line to the most easterly extremity of Amherst Island; thence in a southeasterly direction in a straight line to the most southwesterly extremity of Simcoe Island; thence in a southeasterly direction in a straight line to the most westerly extremity of Bell Point on Wolfe Island; thence in a southeasterly direction in a straight line to the most westerly extremity of Long Point on Wolfe Island; thence in a southeasterly

direction in a straight line to the most westerly extremity of Bear Point on Wolfe Island; thence south 45° east astronomically to the intersection with the international boundary between Canada and the United States.

#### DIVISION 9

9. Waters in The Regional Municipality of Ottawa-Carleton and the counties of Dundas, Glengarry, Grenville, Prescott, Russell and Stormont, the County of Frontenac except the townships of Barrie, Clarendon, Miller, North Canonto, South Canonto, Palmerston and those parts of the townships of Kennebec, Olden and Oso lying north of that part of the King's Highway known as Number 7 and except Opinicon Lake in the townships of Bedford and Storrington, the County of Lennox and Addington except the townships of Abinger, Anglesea, Ashby, Denbigh, and Effingham and that part of Kaladar Township lying north of that part of the King's Highway known as Number 7; the townships of Darling, Lavant and Pakenham in the County of Lanark, Silver Lake in the Township of South Sherbrooke and the portion of the Rideau River lying between the easterly boundary of the Town of Smith's Falls and the easterly boundary of the Township of Montague, and that part of the County of Renfrew lying south of a line described as follows:

Beginning at the intersection of the high water mark of the Ottawa River with the easterly production of the centre line of that part of the King's Highway known as Number 62, in the Town of Pembroke; thence westerly along the said production and the centre line of that highway and the centre line of that part of the King's Highway known as Numbers 41, 512 and 60 to the intersection with the northerly boundary of the Township of Jones, in the County of Renfrew, saving and excepting therefrom Wolf Lake and that part of the Territorial District of Nipissing lying south of that part of the King's Highway known as Number 60 extending from the southerly boundary of the geographic Township of Dickens to the easterly boundary of Algonquin Provincial Park in the geographic Township of Airy, in the Territorial District of Nipissing, and excluding all waters mentioned in Divisions 8, 11 and 12.

#### DIVISION 10

10. Waters in the County of Lanark except the Townships of Darling, Lavant and Pakenham, Silver Lake in the Township of

South Sherbrooke and that part of the Rideau River lying between the Town of Smith's Falls and the easterly boundary of the Township of Montague; the County of Leeds except the St. Lawrence River together with the waters of Opinicon Lake and Wolfe Lake lying in the County of Frontenac.

#### DIVISION 11

**11.** Waters in the St. Lawrence River lying between the easterly boundary of the dam at the site of the Robert H. Saunders Generating Station and a line described as follows:

Beginning at the southeasterly corner of the Township of Ernestown in the County of Lennox and Addington; thence in a southwesterly direction in a straight line to the most westerly extremity of Brother Islands; thence in a southeasterly direction in a straight line to the most easterly extremity of Amherst Island; thence in a southeasterly direction in a straight line to the most southwesterly extremity of Simcoe Island; thence in a southeasterly direction in a straight line to the most westerly extremity of Bell Point on Wolfe Island; thence in a southeasterly direction in a straight line to the most westerly extremity of Long Point on Wolfe Island; thence in a southeasterly direction in a straight line to the most westerly extremity of Bear Point on Wolfe Island; thence south 45° east astronomically to the intersection with the international boundary between Canada and the United States.

#### DIVISION 12

**12.** The waters of the St. Lawrence River, including Lake St. Francis, lying between the easterly side of the dam at the site of the Robert H. Saunders Generating Station and the interprovincial boundary between Ontario and Quebec, the Ottawa River, Lake Timiskaming.

#### DIVISION 13

**13.** Waters in Algonquin Provincial Park excluding that part of the York River lying southerly of High Falls in the Township of Bruton.

#### DIVISION 14

**14.** The waters lying within the County of Renfrew and the Territorial District of Nipissing described as follows:

Beginning at the northwesterly corner of the Township of Clara in the County of Renfrew; thence southerly along the

westerly boundary of that township to the northerly boundary of Algonquin Provincial Park; thence in a southeasterly, southerly and westerly direction following the northerly, easterly and southerly boundaries of that Park to the intersection with the centre line of that part of the King's Highway known as Number 60 in the Township of Airy; thence in a southeasterly, southerly, northeasterly and northerly direction following the centre line of that part of the King's Highway known as Numbers 60, 512, 41 and 62 to the intersection with the centre line of that part of the King's Highway known as Number 17; thence in a northeasterly direction along the easterly production of the centre line of that part of the King's Highway known as Number 62 to the high-water mark of the Ottawa River; thence in a northwesterly direction following that high-water mark to the place of beginning.

#### DIVISION 15

**15.** Waters in the Territorial District of Parry Sound and that part of the Territorial District of Muskoka lying north of the line described in Division 7;

That part of the Territorial District of Nipissing described as follows:

Beginning at the northeasterly corner of the geographic Township of Cameron in the Territorial District of Nipissing; thence southerly along the easterly boundary of that geographic township to the northerly boundary of Algonquin Provincial Park, thence westerly and southerly along the northerly and westerly boundaries of that park to the southerly boundary of the Territorial District of Nipissing in the geographic Township of Finlayson; thence in a westerly, northerly, westerly and northerly direction along that district boundary to the intersection with the centre line of that part of the King's Highway known as Number 17 in the geographic Township of Kirkpatrick; thence in an easterly direction following that centre line to the intersection with the centre line of the King's Highway known as Number 533; thence east astronomically to the high-water mark of the Ottawa River; thence in a southeasterly direction following that high-water mark to the place of beginning, excepting Lake Nipissing as described in Division 27;

And that part of the territorial districts of Algoma and Sudbury lying south of a line described as follows:

Beginning at the intersection of the westerly boundary of the geographic Township of Spragge with the high-water mark of the North Channel of Lake Huron; thence in a northerly direction following that westerly boundary to the intersection with the centre line of that part of the King's Highway known as Number 17; thence in an easterly direction following that centre line to the intersection with the easterly boundary of the geographic Township of Dunnet in the Territorial District of Sudbury excluding the waters of the North Channel of Lake Huron;

The Territorial District of Manitoulin excluding all waters on Manitoulin Island, Lake Huron, Georgian Bay and the North Channel.

#### DIVISION 16

16. The waters of Georgian Bay being that part of Lake Huron, bounded by a line joining Cape Hurd on the most westerly point of the Bruce Peninsula to Hungerford Point on the most southeasterly point of Manitoulin Island and a line projected easterly from Prairie Point on Manitoulin Island to the southwesterly point of Northwest Burnt Island; thence following the westerly shore of the said Burnt Island to its northerly point; thence by a line to Evans Point being the southerly point of Badgeley Island and following the westerly and northerly shores of the said Badgeley Island to its northwesterly point; thence by a line northerly to the point opposite on the mainland.

Excluding the waters of Matchedash Bay lying easterly of that part of the King's Highway known as Number 103 in the Township of Tay in the County of Simcoe.

#### DIVISION 17

17. Waters of the North Channel of Lake Huron, the waters lying northerly and easterly of the international boundary between the geographic Township of Parke in the Territorial District of Algoma, and Cockburn Island in the Territorial District of Manitoulin, and False Detour Channel lying between Drummond Island and the said Cockburn Island excluding the waters of St. Joseph Island.

#### DIVISION 18

18. Waters in the Territorial District of Timiskaming lying south of latitude  $47^{\circ}30'$  excluding the waters of Lake Timiskaming; the Territorial District of Sudbury lying north of that part of the King's Highway known as Number 17 and south of latitude  $47^{\circ}30'$ ; the Territorial District of Algoma south of

latitude 48° except St. Joseph Island and except that part of the Territorial District of Algoma described in Division 15 and the waters of Lake Superior, St. Mary's River and the expansions thereof, the North Channel of Lake Huron and Wawa Lake; and in the Territorial District of Nipissing lying north of a line described as follows:

Beginning at the intersection of the water's edge along the westerly bank of the Ottawa River with a line drawn east astronomically from the intersection of that part of the King's Highway known as Number 17 with that part of the King's Highway known as Number 533; thence west astronomically to the aforesaid intersection; thence westerly along the centre line of that part of the King's Highway known as Number 17 to the intersection with the westerly boundary of the geographic Township of Kirkpatrick.

Excepting Lake Temagami as described in Division 26.

#### DIVISION 19

19. Waters in the Territorial Districts of Algoma, Cochrane, Sudbury and Timiskaming described as follows:

Beginning at the intersection of latitude 47°30' with the water's edge along the westerly shore of Lake Timiskaming; thence westerly along that latitude to the easterly limit of the right-of-way of the Canadian National Railway; thence northwesterly along that right-of-way limit to latitude 49°; thence westerly along that latitude to the easterly boundary of the Territorial District of Thunder Bay; thence northerly along that easterly boundary and the northerly boundary of that district to longitude 85°30'; thence northerly along that longitude to the southerly limit of the right-of-way of the Canadian National Railway; thence southeasterly along that right-of-way limit to the interprovincial boundary between Ontario and Quebec; thence southerly along the boundary to the water's edge along the northerly shore of Lake Timiskaming; thence southerly and westerly along that shore to the place of beginning.

#### DIVISION 20

20. Beginning at the intersection of latitude 47°30' with the centre line of the Canadian National Railway; thence westerly along latitude 47°30' to the easterly limit of the Territorial District of Algoma; thence northerly along that easterly limit to latitude 48°00'; thence westerly along latitude 48°00' to the

westerly limit of the Territorial District of Algoma; thence southerly along that limit to the high-water mark of Lake Superior; thence northwesterly along that high-water mark to the confluence with the Nipigon River; thence northerly along the high-water mark on the easterly shore of the Nipigon River, Helen Lake and Jessie Lake to the confluence with Lake Nipigon; thence west astronomically to the high-water mark along the westerly shore of the Nipigon River; thence in a general westerly and northerly direction following that high-water mark to the westerly bank of the Pikitigushi River; thence in a northeasterly direction following that westerly bank to the northerly limit of the right-of-way of the Canadian National Railway; thence westerly along that railway limit to the 5th meridian line; thence northerly along that meridian line and its northerly production to the 7th base line; thence westerly along that base line to the interprovincial boundary between Ontario and Manitoba; thence northerly along that boundary to the 11th base line; thence easterly along that base line to the westerly bank of the Wabassi River; thence easterly and southeasterly along that westerly bank to the northerly bank of the Albany River; thence southeasterly along that bank to longitude  $85^{\circ}30'$ ; thence southerly along longitude  $85^{\circ}30'$  to the northerly boundary of the Territorial District of Thunder Bay; thence easterly along that northerly boundary to the easterly boundary thereof; thence southerly along that easterly boundary to latitude  $49^{\circ}00'$ ; thence easterly along latitude  $49^{\circ}00'$  to the centre line of the Canadian National Railway; thence southeasterly along that centre line to the place of beginning.

#### DIVISION 21

**21.** Beginning at the intersection of the 5th meridian line with the international boundary between Canada and the United States; thence southeasterly along that international boundary to the confluence with the waters of Lake Superior; thence northeasterly following the water's edge of Lake Superior to the confluence with the high-water mark along the easterly bank of the Nipigon River; thence northerly along the high-water mark of the Nipigon River, Helen Lake and Jessie Lake to the confluence with Lake Nipigon; thence west astronomically to the high-water mark along the westerly shore of the Nipigon River; thence in a general westerly and northerly direction following that high-water mark to the westerly bank of the Pikitigushi River; thence in a northeasterly direction following that westerly bank to the northerly limit of the right-of-way of

the Canadian National Railway; thence westerly along that railway limit to the northerly production of the 5th meridian line; thence southerly along that production and the 5th meridian line to the place of beginning.

#### DIVISION 22

22. Beginning at the intersection of the 7th base line with the interprovincial boundary between Ontario and Manitoba; thence southerly along that boundary to the international boundary between Canada and the United States; thence southeasterly along that boundary to the 5th meridian line; thence northerly along that meridian line and its northerly production to the 7th base line; thence westerly along that base line to the place of beginning.

#### DIVISION 23

23. The waters of Lake Superior.

#### DIVISION 24

24. Waters in that part of the Territorial District of Kenora lying north of the 11th Base Line, the Wabassi River and the Albany River.

#### DIVISION 25

25. Waters in that part of the Territorial District of Cochrane lying north of the centre line of the right-of-way of the Canadian National Railway Company and east of longitude  $85^{\circ}30'$ .

#### DIVISION 26

26. The waters of Lake Temagami.

#### DIVISION 27

27. The waters of Lake Nipissing together with
- (a) the waters of the French River from the Chaudiere and the little Chaudiere dam to Lake Nipissing;
  - (b) the waters of the west arm of Lake Nipissing to the easterly boundary of the Township of Hendrie in the Territorial District of Subdury;
  - (c) the waters of the northwest Bay of Lake Nipissing to the falls on Macpherson Creek;
  - (d) the waters of the Sturgeon River from Lake Nipissing to that part of the King's Highway known as Number 17;
  - (e) the waters of the Veuve River from Lake Nipissing to the dam situated in Lot 5 in Concession I in the Township of Caldwell in the Territorial District of Nipissing;

(f) the waters of the South River from Lake Nipissing to that part of the King's Highway known as Number 654.

#### DIVISION 28

28. Waters on Manitoulin Island in the Territorial District of Manitoulin.

#### DIVISION 29

29. Waters in the townships of Abinger, Anglesea, Ashby, Denbigh, and Effingham and that part of Kaladar Township lying north of that part of the King's Highway known as Number 7 in the County of Lennox and Addington, and the townships of Barrie, Clarendon, Miller, North Canoto, South Canoto, Palmerston, and those parts of the townships of Kennebec, Olden and Oso lying north of that part of the King's Highway known as Number 7 in the County of Frontenac. S.O.R./78-870, s. 1; S.O.R./79-397, s. 1; S.O.R./80-265, s. 8; S.O.R./81-293 s. 5(1)-(5); S.O.R./81-429 s. 3(1)(2)

#### SCHEDULE II

(ss. 22 and 24)

#### WATERS REFERRED TO IN SECTIONS 22, 24 AND 43 AND SCHEDULE XX

1. Lake Superior
2. Lake Huron, including North Channel and Georgian Bay
3. Lake Erie
4. Lake Ontario
5. Lake St. Clair
6. St. Lawrence River, including Lake St. Francis and Lake St. Lawrence
7. St. Mary's River
8. Lake George
9. Munuscong Lake
10. Potogannissing Bay
11. The stretch of water between Drummond and Cockburn Islands
12. St. Clair River
13. Detroit River
14. Niagara River
15. Lake Nipissing
16. Lake Simcoe

SCHEDULE III  
OPEN SEASONS—ANGLING

(See Section 4(1) )

COLUMN I Type of Fish	COLUMN II Open Season	COLUMN III Waters
1. Largemouth Bass and Smallmouth Bass	1. (1) All year (2) 3rd Saturday in June- November 30th (3) Last Saturday in June- October 15th (4) Last Saturday in June- November 30th (5) 3rd Saturday in June- March 31st (6) Last Saturday in June- December 31st (7) Last Saturday in June- November 15th	1. (1) The waters of divisions 19, 20, 21, 22, 23, 24 and 25. (2) The waters of Division 11. (3) The waters of division 10. (4) The waters of divisions 2, 3, 4, 5, 7, 8, 9, 13, 14, 15, 16, 17, 18, 26, 27, 28, and 29. (5) The waters of division 12. (6) The waters of division 1. (7) The waters of division 6.
2. Muskellunge	2. (1) All year (2) 1st Saturday in June- December 15th (3) 3rd Saturday in June- November 30th	2. (1) The waters of divisions 19, 24 and 25. (2) The waters of divisions 1, 3, 4, 5, and 7. (3) The waters of divisions 2, 8, 9, 10, 11, 13, 14, 15, 16, 17, 18, 20, 21, 22, 23, 26, 27, 28 and 29.

3. Brook Trout	<p>(4) 3rd Saturday in June-March 31st</p> <p>(5) 1st Saturday in June-November 15th.</p>	<p>(4) The waters of division 12.</p> <p>(5) The waters of division 6.</p>
3. Brook Trout	<p>3. (1) All year</p> <p>(2) January 1st-September 15th</p> <p>(3) January 1st-September 30th</p> <p>(4) Last Saturday in April-September 15th</p> <p>(5) Last Saturday in April-Sept. 30</p> <p>(6) January 1st-March 31st and last Saturday in April-September 15th</p> <p>(7) January 1st-March 31st and last Saturday in April-September 30th</p>	<p>3. (1) The waters of division 22 and 25.</p> <p>(2) The waters of divisions 15, 17, 19, 20, 21, 23, 27 and 28.</p> <p>(3) The waters of divisions 7, 8, 9, 10, 11, 12, 14, 18, 24, 26 and 29.</p> <p>(4) The waters of divisions 1, 2, 5, 6, 13 and 16.</p> <p>(5) The waters of divisions 3 and 4 (excluding the waters described in subitems (6) and (7)).</p> <p>(6) The waters of Pinery Park Pond in the Township of Bosanquet in the County of Lambton.</p> <p>(7)(a) In the County of Bruce:</p> <p>(i) Cameron Lake in the Township of St. Edmunds</p> <p>(ii) Gillies Lake in the Township of Lindsay</p> <p>(iii) Cyprus Lake in the Township of St. Edmunds</p> <p>(b) In the County of Grey:</p>

# SCHEDULE III—OPEN SEASONS—ANGLING—Continued

COLUMN I Type of Fish	COLUMN II Open Season	COLUMN III Waters
		<p>(i) Bells Lake in the Township of Glenelg</p> <p>(ii) Eugenia Lake in the Township of Artemesia</p> <p>(iii) Wilcox Lake in the Township of Artemesia</p> <p>(iv) McCullough Lake in the Township of Sullivan</p> <p>(v) Wilder Lake in the Township of Egremont</p> <p>(vi) Bass Lake in the Township of Keppel</p> <p>(vii) Irish Lake in the Township of Artemesia</p> <p>(viii) Williams Lake in the Township of Holland.</p>

## SCHEDULE IV

### AREAS HAVING EXTENDED OPEN SEASON FOR RAINBOW TROUT (Sch. III)

#### 1. Bruce County:

(1) Little Sauble River—that portion in the Township of Bruce between the King's Highway known as Number 21 and Lake Huron.

(2) Penetangore River—that portion in the Town of Kincardine from the mouth of the river to the bridge at King's Highway Number 21.

(3) Sauble River—that portion in the Township of Amabel from Sauble Falls, westerly to Lake Huron.

(4) Saugeen River—that portion in the Townships of Saugeen, Arran and Amabel between Forrester's Bridge in the Town of Paisley and Lake Huron.

#### 2. Regional Municipality of Durham:

The portion of the Regional Municipality of Durham lying southerly of that part of the King's Highway known as Number 2.

#### 3. Elgin County:

(1) Big Otter Creek—that portion in the Township of Bayham.

(2) Little Otter Creek, also known as the east branch of Big Otter Creek—that portion within the Township of Bayham.

#### 4. Grey County:

(1) Beaver River—that portion in the Township of Collingwood, from the Thornbury hydro electric power dam, northerly to Georgian Bay.

(2) Bighead River—that portion in the Township of St. Vincent.

(3) Pottawatomi River—that portion in the Township of Derby and the City of Owen Sound from the downstream side of the bridge at 14th Street West in the said City of Owen Sound to Owen Sound Bay of Georgian Bay.

(4) Sydenham River—that portion lying between a point 605.7 m distant downstream from the lower entrance of the fishway situated on the north side of the textile mill dam between 5th Street and 6th Street in the said City of Owen Sound to Owen Sound Bay of Georgian Bay.

## **5. Huron County:**

(1) Bayfield River—that portion in the Townships of Goderich and Stanley between the King's Highway known as Number 4 and Lake Huron.

(2) Maitland River—that portion in the Townships of Colborne, Goderich, East Wawanosh, West Wawanosh and Turnberry between the King's Highway known as Number 4 and Lake Huron.

(3) Nine Mile River—that portion in the townships of Ashfield and West Wawanosh lying between the King's Highway known as Number 86 and Lake Huron.

(4) Revoked S.O.R./82-500, s. 8(2)

## **6. Norfolk County:**

(1) Big Creek including North Creek—that portion southerly of the King's Highway known as Number 3 and lying within the townships of Middleton, Charlotteville, North Walsingham and South Walsingham.

(2) Waterford Ponds in the Township of Townsend.

(3) Young Creek (or Ryerse Creek)—that portion in the Township of Charlotteville from the mill dam on Lot 23, Concession III, Township of Charlotteville, southeasterly to Lake Erie.

## **7. Northumberland County:**

(1) The portion of the County lying southerly of that part of the King's Highway known as Number 2, excluding the waters of the Ganaraska River.

8. Revoked.

## **9. Simcoe County:**

(1) Coldwater River—that portion in the Townships of Medonte and Tay from the mill dam in the Village of Coldwater to the junction with the North River.

(2) Hog Creek—that portion in the Township of Tay from the railway bridge of Canadian Pacific Limited northerly to Hog Bay of Georgian Bay.

(3) North River—that portion of MacLaughlins Falls in the Township of Matchedash southerly to Matchedash Bay of Georgian Bay.

(4) Nottawasaga River—that portion in the Townships of Essa, Flos, Sunnidale and Vespra from the confluence of the Nottawasaga and Boyne Rivers northerly to Nottawasaga Bay of Georgian Bay.

(5) Sturgeon River—that portion in the Township of Tay from the south boundary of that Township, northerly to Sturgeon Bay of Georgian Bay. S.O.R./78-870, s. 3; S.O.R./81-293 s. 7 (1)-(5).

#### SCHEDULE V

(s. 24)

### **WATERS REFERRED TO IN SCHEDULE III. OPEN SEASON FOR LAKE TROUT**

1. The waters in the Territorial Districts of Kenora, Rainy River and Thunder Bay, except Lake Superior and waters in item 2 of this Schedule.

2. The Ontario portion of the boundary waters lying between the main shore of the State of Minnesota in the United States and the main shore of the Province of Ontario, except Lake Superior, Rainy Lake, Rainy River, and Lake of the Woods.

#### SCHEDULE VI

(s. 5)

### **PART I PROHIBITED WINTER FISHING**

1. Algonquin Provincial Park.

2. The Regional Municipality of Durham, except the waters of Lake Ontario, Lake Simcoe and Lake Scugog in the said regional municipality; the County of Victoria, except that part of Lake Scugog in the said county; and the County of Northumberland, except that part of the Trent River lying south of Lock Number 9 at the head of Percy Reach.

3. The County of Peterborough, except the Townships of Burleigh and Anstruther (but not including Stony Lake), Chandos, Galway and Cavendish, the part of the Township of Harvey lying northerly of that part of the King's Highway known as Number 36 and the part of the Township of Belmont and Methuen which was formerly known as the Township of Methuen.

4. Dalrymple Lake (also known as Mud Lake) in the Counties of Simcoe and Victoria.

5. All of the streams and rivers in the counties of Bruce and Grey, excluding the waters mentioned in Schedules IV and XXIII.

6. The waters of Bayfield River, Nine Mile River, Maitland River and an unnamed Creek known locally as Naftels Creek and their tributaries thereto in the County of Huron, excluding the waters mentioned in Schedules IV and XXIII.

## SCHEDULE XIV

(s. 22)

### WATERS IN WHICH USE OF LIVE BAIT-FISH IS PROHIBITED

#### 1. District of Algoma:

(1) Twin O'Brian Lakes in the Townships of Tp. 64 and Tp. 66.

(2) Lake Number One in the Township of Kapuskasing.

(3) The waters of Lake Superior Provincial Park, exclusive of the waters of Lake Superior situate within the boundaries of the said Park.

(4) Saddle Lake in the Township of Tp. 22, Range 11.

(5) An unnamed lake, known locally as Lake No. 2., in the geographic Township of Tp. 22, Range 12 located at approximate latitude  $47^{\circ}03'$  north and longitude  $83^{\circ}47'$  west.

(6) An unnamed lake, known locally as Lake No. 24, in the geographic Township of Tp. 22, Range 13, located at approximate latitude  $47^{\circ}04'$  north and longitude  $83^{\circ}47'$  west.

(7) An unnamed lake, known locally as Poem Lake, in the geographic Township of Tp. 22, Range 12, located at approximate latitude  $47^{\circ}03'$  north and longitude  $83^{\circ}48'$  west.

(8) Pipe Lake in the geographic Township of Tp. 28, Range 13, located at approximate latitude  $47^{\circ}06'$  north and longitude  $84^{\circ}33'$  west.

(9) Sill Lake in the geographic Township of Van Koughnet, at approximate latitude  $46^{\circ}46'$  north and longitude  $84^{\circ}15'$  west.

(10) All of the waters in the geographic Township of Greenwood in the Territorial District of Algoma.

(11) Dossier Lake in the geographic townships of Redsky and Stone at approximate latitude  $47^{\circ}45'$  north and longitude  $84^{\circ}43'$  west.

(12) Little Dossier Lake in the geographic Township of Redsky at approximate latitude  $47^{\circ}46'$  north and longitude  $84^{\circ}43'$  west.

S.O.R./78-870, s. 7(1); S.O.R./79-459, s. 1; S.O.R./80-265, s. 13(1); S.O.R./81-429, s. 6.

#### 2. District of Cochrane:

(1) Greensward Lake, known locally as Green Lake, in the

geographic Township of Colquhoun, located at approximate latitude  $49^{\circ}12'$  north and longitude  $81^{\circ}17'$  west.

### **3. District of Kenora:**

(1) That part of the Territorial District of Kenora described as follows: Commencing at a point in the boundary between Manitoba and Ontario where it is intersected by the 11th Base Line; thence easterly along that base line and its production to the intersection with the northerly shore of the Wabassi River; thence in a general easterly direction along the northerly shores of that river and the Albany River to James Bay; thence northerly and westerly along the shores of James Bay and Hudson Bay to the boundary between Manitoba and Ontario; thence southwesterly and southerly along that boundary to the point of commencement.

(2) The waters of Shoal Lake situate in the Territorial District of Kenora above Ash Rapids.

S.O.R./80-265, s. 13(2)

(3) An unnamed lake known locally as Shrimp Lake, located at approximate latitude  $49^{\circ}34'$  north and longitude  $91^{\circ}39'$  west.

S.O.R./81-293, s. 15(1)

### **4. District of Nipissing:**

(1) Clear, Pascal and Turtle Lakes in the Township of Boulter.

(2) Norway Lake in the Township of Wyse.

(3) An unnamed lake, known locally as Secord Lake, in the Township of Lasalle, located at approximate latitude  $46^{\circ}46'$  north and longitude  $79^{\circ}25'$  west.

(4) An unnamed lake, known locally as Mug Lake, in the Township of McAuslan, located at approximate latitude  $46^{\circ}45'$  north and longitude  $79^{\circ}23'$  west.

(5) Crosstee (Pine) Lake in Murchison Township.

(6) Lonesome Lake in Murchison Township.

(7) North Moonbeam (Sawlog) Lake in Murchison Township.

(8) An unnamed lake, known locally as Quarry Lake, in the Township of McAuslan, located at approximate latitude  $46^{\circ}44'$  north and longitude  $79^{\circ}20'$  west.

(9) All the waters located within the boundaries of Algonquin Provincial Park.

(10) Camp, Cut, Emerald, Jimmie, McConnell, Orient, Pole, Round, Shanty and Spring in the Township of McAuslan.

(11) Big Webb, Green, Little Webb, Otter, Surecatch and Troutbait in the Township of Parkman.

(12) An unnamed lake, known locally as Pine Lake, in the Township of McAuslan, located at approximate latitude  $46^{\circ}44'$  north and longitude  $79^{\circ}16'$  west.

(13) An unnamed lake, known locally as Pig Lake in the geographic Township of Law, at approximate latitude  $46^{\circ}55'$  north and longitude  $79^{\circ}48'$  west.

(14) Liberty Lake in the Township of Aston.

(15) Coppersand Lake in the Township of Cynthia.

(16) An unnamed lake, known locally as Lake No. 73, in the Township of Best, located at approximate latitude  $47^{\circ}09'$  north and longitude  $79^{\circ}46'$  west.

(17) An unnamed lake, known locally as Lake No. 89, in the Township of Best, located at approximate latitude  $47^{\circ}10'$  north and longitude  $79^{\circ}41'$  west.

(18) An unnamed lake, known locally as Lake No. 25, in the Township of Strathcona, located at approximate latitude  $47^{\circ}01'$  north and longitude  $79^{\circ}47'$  west.

S.O.R./78-870, s. 7(2); S.O.R./79-397, s. 4(1).

(19) Wolf Lake in the Township of Sisk, located at approximate latitude  $46^{\circ}47'$  north and longitude  $79^{\circ}53'$  west.

S.O.R./81-293, s. 15(2).

## **5. District of Rainy River:**

All waters located within the boundaries of Quetico Park.

## **6. District of Sudbury:**

(1) Debbie Lake in Sherlock Township.

(2) Foot Lake in McNaught Township.

(3) Revoked.

(4) Helen and Tahill Lakes in Somme Township.

(5) Knothole Lake in the geographic Township of Togo located at approximate latitude  $47^{\circ}45'$  north and longitude  $81^{\circ}30'$  west.

(6) Axe and Canyon Lakes and Lake Number Four in the Township of Ivanhoe.

(7) Taylor and Dock Lakes in the Township of Wigle.

(8) Lake Number Twelve in the Township of Regan.

(9) Rock Lake in the Township of Nairn.

(10) Revoked.

S.O.R./80-265, s. 13(3)-(4).

## **7. District of Thunder Bay:**

(1) That part of the Territorial District of Thunder Bay described as follows: beginning at a point in the highwater mark of Lake Superior where the same is intersected by the easterly boundary of the District of Thunder Bay; thence northerly along that easterly boundary to the southeasterly corner of the Township of Knowles; thence west astronomically along the southerly boundary of that township and its production to the high-water mark of Lake Superior; thence southerly and easterly along that high-water mark to the place of beginning.

(2) Inwood Lake in the Township of Inwood located at approximate latitude  $49^{\circ}01'$  north and longitude  $90^{\circ}27'$  west.

S.O.R./81-293, s. 15(3).

(3) Clearwater Lake in the geographic Township of Tp. 71.

(4) Little Flood Lake in the Township of Flood.

## **8. District of Timiskaming:**

(1) Allen, Bea, Campbell, Carswell, Charlie, Clifford, Columbus, Don, Esker, Gaf, Gourlay, Ian, Laf, Little Boy, Lulu, Mall, Marcel, Marsh, Mike, Morris, Old Man, Pall, Panagapka, Sausage, Sea Horse, Tom and Walker Lakes in Clifford Township.

(2) Hazel Lake in Bisley Township.

(3) Whitepine and Wilderness Lakes in the Township of Gamble.

(10) An unnamed lake, known locally as Walter Lake, in the Township of Brigstocke, located at approximate latitude  $47^{\circ}18'$  north and longitude  $79^{\circ}51'$  west.

(11) Wilson Lake in the Township of Gillies Limit.

(12) Clarice Lake in the Township of Pontiac.

(13) Labyrinth Lake in the geographic Township of Ossian.  
S.O.R./82-500, s. 12.

### **8.1 District of Parry Sound:**

(1) An unnamed lake, known locally as Red Deer Lake, in the geographic Township of Laurier, at approximate latitude  $45^{\circ}53'$  north and longitude  $79^{\circ}14'$  west.

## **8.2 District Municipality of Muskoka:**

(1) Lost Lake in the Township of Ridout located at approximate latitude  $45^{\circ}10'$  north and longitude  $79^{\circ}52'$  west.

S.O.R./81-293, s. 15(4).

## **9. Provisional County of Haliburton:**

(1) Millichamp Lake and Buchanan Lake in the Township of McClintock.

(2) All the waters located within the boundaries of Algonquin Provincial Park.

(3) Orley Lake in the Township of Sherborne.

(4) Avery Lake in the Township of Sherborne.

(5) Burdock Lake in the Township of Guilford.

(6) Partridge Lake in the Township of Stanhope.

(7) Moose Lake in the Township of Sherborne.

(8) Shoelace Lake in the Township of Sherborne.

(9) An unnamed lake known locally as No-name Lake in the Township of Sherborne located approximately at latitude  $45^{\circ}11'$  north and longitude  $78^{\circ}45'$  west.

(10) Birchy Lake in Lot 15, Concession I in the Township of Havelock located at approximate latitude  $45^{\circ}12'30''$  north and longitude  $78^{\circ}36'30''$  west.

(11) Lowry Lake in the Township of Monmouth located at approximate latitude  $45^{\circ}56'45''$  north and longitude  $78^{\circ}15'$  west.

S.O.R./78-870, s. 7(5)-(6); S.O.R./80-265, s. 13(5); S.O.R./81-293, s. 15(5).

## **10. County of Lanark:**

(1) Paddy Lake in the Township of Dalhousie.

(2) Green Lake in Lots 12 and 13 in Concession II in the Township of Lavan.

(3) Little Green Lake in Lots 20 and 21 in Concessions II and III in the Township of Darling.

### **10.1 County of Dundas:**

(1) The waters in Lot 3 in Concession IV in the Township of Williamsburgh, known as George Challies Fishing Area.

## **11. County of Stormont:**

Cornwall Recreation Area in Lot 19 in Concession IV in the Township of Cornwall.

## **12. County of Renfrew:**

- (1) Porter Lake in Westmeath Township.
- (2) Redrock Lake in Lot 5 in Concession V in the Township of Richards.
- (3) Lemke Lake in lots 20 and 21 in Concession XVI in the Township of Alice.
- (4) Smith Lake also known as De Marco Lake in lots 27 and 28 in Concession XIV and Range B in the Township of Head.

### **12.1 County of Hastings:**

- (1) Grassy, Spruce, North Chain, East Chain and West Chain lakes in the Township of Mayo.
- (2) White Duck Lake in the Township of Bangor.

### **12.2 County of Peterborough:**

- (1) Runaround Lake in the Township of Anstruther.

**13.** All streams flowing into or out of the Lakes described in this Schedule.

S.O.R./81-293, s. 15(6).

(s. 64)

## FISH SANCTUARIES

ITEM	COLUMN I	COLUMN II
1.	All that portion of Lake Ontario and islands included within a circle having a radius of 1828.8 metres the centre of which circle is on Becroft Point and distant 2203.7 metres measured on a course south 12 degrees 35 minutes west astronomically from the intersection of the centre line of the allowance for road between Concessions I and II in the township of Ameliasburgh and the high-water mark of Lake Ontario, having an area of approximately 10.4 km <sup>2</sup> .	Anytime.
2.	Augusta Lake in the unsurveyed portion of the Territorial District of Thunder Bay lying immediately west of geographic Township 24 in Range 33 in the Territorial District of Algoma.	Anytime.
3.	That part of Newboro Lake known as the Bog in the Township of South Crosby in the County of Leeds lying within Lots 22, 23 and 24 in Concession II, and Lots 22, 23, 24, 25 and 26 in Concession III.	Anytime.
4.	That part of Rideau Lake known as the Bog in the Township of Bastard and South Burgess in the County of Leeds lying within Lots 13, 14 and 15 in Concession I, and Lots 14 and 15 in Concession II, in that part of the township that was formerly the Township of Bastard and Lot 9 in Concession I in that part of the township that was formerly the Township of South Burgess.	Anytime.
5.	That part of Crooked Bay of Six Mile Lake known as Ess Bay in the geographic Township of Baxter in the Territorial District of Muskoka, described as follows: Beginning at a point where the line between Lots 19 and 30 in Concession XV is intersected by the southerly shore of an island; thence in a general northerly direction along the easterly shore of that island to the	Anytime.

# SCHEDULE XIX—FISH SANCTUARIES—Continued

ITEM	COLUMN I	COLUMN II
	northerly extremity thereof; thence north astronomically a distance of 45.7 metres, more or less, to the southerly shore of another island; thence in a general easterly, northerly and northwesterly direction to the northerly extremity of the distance of 274.3 metres, more or less, to the shore of Crooked Bay of Six Mile Lake; thence in a general southerly, easterly, northerly, easterly, southerly, westerly, northerly, southwesterly and southerly direction along the shore of Six Mile Lake in Lot 19 in Concession XV to intersect a line drawn east astronomically from the place of beginning; thence west astronomically a distance of 152.4 metres, more or less, to the place of beginning.	
6.	Crystal Lake in that part of the Township of Sherborne, McClintock, Livingstone, Lawrence and Nightingale in the Provisional County of Haliburton which was formerly the Township of Lawrence.	Anytime.
7.	That part of Opinicon Lake known as Darling Bay in the Township of Storrington in the County of Frontenac lying within Lots 15 and 16 in Concession XIV, and Lot 16 in Concession XV.	Anytime.
8.	That part of Four Mile Creek in the geographic Township of Widdifield in the Territorial District of Nipissing lying within Lots 8 and 9 in Concession B.	Anytime.
9.	All that portion of Sand Lake known locally as Freeman's Bay lying within Lots 12 and 13 in Concession V and Lot 13 in Concession VI in the Township of South Crosby in the County of Leeds and which said parcel may be more particularly described as being all of that bay (known locally as Freeman's Bay) situated north of Powell Bay of Sand Lake and lying west of a line joining the	Anytime.

	most easterly extremity of a point of land (known locally as Eagle Point) in said Lot 12 in Concession V and the most westerly extremity of a point of land (known locally as Mustard Point) in said Lot 13 in Concession V.	
10.	Grimshaw Lake in the unsurveyed portion of the Territorial District of Rainy River lying northerly of the geographic townships of Halkirk and Watten.	Anytime.
11.	That part of Whitefish Lake known as Jones Falls Bay lying north of the highway known as County Road No. 10 and within Lots 5 and 6 in Concession VI, in the Township of South Crosby in the County of Leeds.	Anytime.
12.	That part of Katzenbach Lake in geographic Township 24 in Range 33 in the Territorial District of Algoma and that part of Katzenbach Lake in the unsurveyed portion of the Territorial District of Thunder Bay lying immediately west of that township.	Anytime.
13.	The waters within the limits of Long Island in Rideau Lake in that part of the Township of Bastard and South Burgess in the County of Leeds that was formerly the Township of South Burgess.	Anytime.
14.	In the geographic townships of Echo, Lomond, Pickerel and Vermilion, in the Territorial District of Kenora, and being the waters known as Maskinonge Lake, Hooch Lake and Cloudlet Lake; the stream flowing easterly into the waters known as Cloudlet Lake from the westerly boundary of the geographic Township of Echo; the stream between the waters known as Cloudlet Lake and Hooch Lake; the stream between the waters known as Hooch Lake and Maskinonge Lake; and the stream flowing easterly out of the waters known as Maskinonge Lake to its mouth in the waters known as Little Vermilion Lake.	Anytime.
15.	Mishi Lake in the unsurveyed portion of the Territorial District of Thunder Bay lying immediately west of geographic Township 24 in Range 33 in the Territorial District of Algoma.	Anytime.

16.	Mishibishu Lake in the unsurveyed portion of the Territorial District of Thunder Bay lying immediately west of geographic Township 24 in Range 33 in the Territorial District of Algoma.	Anytime.
17.	That part of Mississippi River in the Township of Drummond in the County of Lanark, the east limit of which is an imaginary line drawn parallel to and measured 79.2 metres easterly perpendicularly from the centre line of Main Street abutting Lot 1, as shown on Plan No. 124 registered in the Registry Office for the South Riding of the County of Lanark, the west limit of which is an imaginary line drawn parallel to and measured 240.8 metres westerly perpendicularly from the centre line of Main Street abutting Lot 1 as shown on that plan.	Anytime.
18.	That part of Opinicon Lake, known as Murphy Bay, in the Township of South Crosby in the County of Leeds lying within Lot 16 in Concession VI, and Lots 15 and 16 in Concession VII.	Anytime.
19.	That part of Nogies Creek in the Township of Galway and Cavendish and the Township of Harvey in the County of Peterborough south of the dam at the southerly end of Bass Lake, lying within Lots 27 to 30, both inclusive, in Concession XVII, Lots 27, 28, 30, 31 and 32 in Concession XVI, in the Township of Harvey, and Lots 9 and 10 in Concession I, and Lot 9 in Concession II, in the Township of Galway and Cavendish.	Anytime.
20.	That part of Newboro Lake known as Old Iron Mine Bay in the townships of North Crosby and South Crosby in the County of Leeds, and described as follows: Beginning at the most southwesterly extremity of Lot 25 in Concession VI in the Township of South Crosby; thence southwesterly in a	Anytime.

	straight line to the most southerly extremity of Knowlton Island; thence continuing southwesterly in a straight line to the most southeasterly extremity of Bobbs Island; thence in a general northwesterly and southwesterly direction along the high-water mark on the easterly and northerly shores of Bobbs Island to its intersection with the southeasterly production of the southwesterly limit of Lot 2 in Concession VII in the Township of North Crosby; thence northwesterly along that production to the northerly shore of Newboro Lake; thence in a general northeasterly and southeasterly direction along the high-water mark on the northerly shore of Newboro Lake to the place of beginning.	
21.	The waters known as Pierce's Flow in the Township of Rear of Leeds and Lansdowne in the County of Leeds lying within Lots 8 and 9 in Concession IX.	Anytime.
22.	That part of Shallow Bay of Georgian Bay of Lake Huron lying northerly, northwesterly and northeasterly, of a line drawn on a course of north $81^{\circ}27'$ west astronomically from a point on the easterly shore of Shallow Bay distant 192.9 metres measured on a course of south $31^{\circ}26'$ east from a point in latitude $46^{\circ}0'$ north and longitude $81^{\circ}56'$ west.	Anytime.
23.	The river between Wolfe Lake and Sand Lake in the Township of North Crosby in the County of Leeds, and that part of Sand Lake in Lots 15 and 16 in Concession IX, and Lot 15 in Concession VIII in the Township of North Crosby in the County of Leeds.	Anytime.
24.	West Bay of Sparrow Lake in the Township of Matchedash in the County of Simcoe lying within Lots 2, 3 and 4 in Concession XIV, and Lot 2 in Concession XV.	Anytime.
25.	In the Township of North Crosby in the County of Leeds and being the waters known as Westport Pond, connecting Upper Rideau Lake and Sand Lake.	Anytime.

# SCHEDULE XIX—FISH SANCTUARIES—Continued

ITEM	COLUMN I	COLUMN II
26.	The waters known as Whirligig Lake in the geographic townships of Corley and Gamble in the Territorial District of Timiskaming.	Anytime.
27.	The waters known as White Lake in the Township of Olden in the County of Frontenac.	Anytime.
28.	Campbell Lake lying easterly of the geographic Township of McLarty in the Territorial District of Rainy River.	Odd numbered years.
29.	Dad Lake lying easterly of the geographic Township of McLarty in the Territorial District of Rainy River.	Odd numbered years.
30.	Lilac Lake in the Territorial District of Rainy River lying between Little Vermilion Lake and Lac la Croix.	From the 1st day of October in any year to the 31st day of May, in the year next following.
31.	Trout Lake in the Territorial District of Rainy River lying between Little Vermilion Lake and Lac la Croix.	From the 1st day of October in any year to the 31st day of May, in the year next following.
32.	That part of the Beaverton River in the Township of Brock (including Canise or Thorah Island) in The Regional Municipality of Durham lying westerly of that part of the King's Highway known as No. 12.	From the second Saturday in May to the Friday immediately preceding the last Saturday in June, both inclusive.
33.	That part of Black River in the Township of Georgina in the County of York lying within Lot 1 in Concession VII and Lots 1 and 2 in Concession VIII.	From the second Saturday in May to the Friday immediately preceding the last Saturday in June, both inclusive.

34.	That part of Pefferlaw Brook in the Township of Georgina in the County of York lying between the dam situated on Lot 23 in Concession V and the allowance for road between Concessions VI and VII.	From the second Saturday in May to the Friday immediately preceding the last Saturday in June, both inclusive.
35.	That part of Shawanaga River in the geographic Township of Shawanaga in the Territorial District of Parry Sound lying westerly of the right-of-way of the Canadian Pacific Railway.	From April 16th to May 31st, both inclusive, in each year.
36.	All that part of Austin Bay of the South Arm of Lake Temagami in the geographic Township of Vogt in the Territorial District of Nipissing, lying south of a line drawn east and west astronomically across Austin Bay from a point distant 4,284.9 m measured south astronomically from the north boundary of that geographic township.	Even numbered years.
37.	All that part of Ferguson Bay of the north arm of Lake Temagami known as Sandy Bay in the geographic Township of Cynthia in the Territorial District of Nipissing, lying south of a line drawn east and west astronomically across Sandy Bay from a point distant 905.2 m measured south astronomically from the north boundary of that geographic township.	Even numbered years.
38.	All that part of Island Bay of the southwest arm of Lake Temagami in the geographic Township of Phyllis in the Territorial District of Nipissing, lying southeasterly of an island numbered 613.	Odd numbered years.

# SCHEDULE XIX—FISH SANCTUARIES—Continued

ITEM	COLUMN I	COLUMN II
39.	All that part of a bay of Whitefish Bay of the north arm of Lake Temagami, otherwise known as Hammerhandle Bay, in the geographic townships of Aston and Canton in the Territorial District of Nipissing, lying west of a line drawn north and south astronomically across Whitefish Bay from a point distant 201.2 m measured east astronomically from the west boundary of the geographic Township of Aston.	Odd numbered years
40.	That part of Bernard Creek, known as Stirling Creek and Stoney Creek, in the Territorial District of Parry Sound and described as follows: Beginning where Bernard Creek is intersected by the highway known as the King's Highway No. 11; thence in a general easterly, northeasterly, easterly and northeasterly direction through Lots 7 to 11, both inclusive in Concession IV and Lots 9 to 13, both inclusive, in Concession V, in the geographic Township of Strong to the right-of-way of the Canadian National Railways.	From April 16th to May 31st, both inclusive, in each year.
41.	<ol style="list-style-type: none"> <li>1. Lower Hay Lake and those parts of Drizzle Lake, Otter Creek and Hay Lake in the geographic Township of Sabine in the Territorial District of Nipissing.</li> <li>2. That part of Otter Creek lying southerly of a dam in Lot 4 in Concession I in the geographic Township of Airy in the Territorial District of Nipissing.</li> <li>3. Those parts of Drizzle Lake and Hay Lake in the Township of Clyde in the Provisional County of Haliburton.</li> </ol>	From October 11th to the Friday immediately preceding the last Saturday in April, both inclusive, in the year next following.

42.	All of the waters of Joly Creek lying within the limits of Lots 28 to 32, both inclusive, and the allowance for road between Lots 30 and 31, all in Concession IX in the geographic Township of Strong in the Territorial District of Parry Sound.	From April 16th to May 31st, both inclusive, in each year.
43.	All that part of the Moon River in the geographic Township of Freeman in the Territorial District of Muskoka lying between the production southerly of the easterly limit of Lot 33 in Concession VIII and the production southerly of the westerly limit of Lot 36 in Concession X.	From April 16th to May 31st, both inclusive, in each year.
44.	Kukagami Lake in the geographic townships of Davis, Kelly, Rathbun and Scadding in the Territorial District of Sudbury.	From January 1st to the Friday immediately preceding the last Saturday in April, both inclusive.
45.	Revoked: SOR/78-870, s. (8)1	
46.	That southerly part of Nottawasaga River lying within Lot 1 in Concession V of the Township of Essa in the County of Simcoe.	From September 16th to the second Saturday in May, in each year.
47.	All that part of Tug Channel in the Township of Tay in the County of Simcoe and in the geographic Township of Baxter, in the Territorial District of Muskoka, and all that part of an unnamed channel connecting Little Lake and Georgian Bay, west of Island "K" at the mouth of the Severn River in the geographic Township of Baxter, lying between the northerly limit of that part of the King's Highway known as No. 103 and the southerly limit of a travelled road connecting Port Severn and Honey Harbour.	From April 1st to the Friday immediately preceding the second Saturday in May, both inclusive.

ITEM	COLUMN I	COLUMN II
48.	All that part of the Talbot River in the Township of Mara in the County of Simcoe and in the Township of Brock in The Regional Municipality of Durham, lying between the easterly limit of the right-of-way of that part of the King's Highway known as No. 12 in Lot 11 in Concession X according to the plan of the Township of Thorah and the easterly face of the dam across the said river in Lot 6 in Concession XI according to the said plan.	From March 16th to the Friday immediately preceding the last Saturday in June, both inclusive, in each year.
49.	Chiblow Lake in the geographic townships of Montgomery, Patton, Scarfe and Tp. 167 in the Territorial District of Algoma.	From October 1st to the Friday immediately preceding the last Saturday in April in the year next following, both inclusive.
50.	Denmman Lake in the geographic townships of Montgomery and Patton in the Territorial District of Algoma.	From October 1st to the Friday immediately preceding the last Saturday in April in the year next following, both inclusive.
51.	Wakwekobi Lake, known also as Big Basswood Lake, in the geographic townships of Day, Gladstone and Kirkwood in the Territorial District of Algoma.	From October 1st to the Friday immediately preceding the last Saturday in April in the year next following, both inclusive.
52.	All of the waters of the Wistiwasing River in the geographic Township of North Himsworth in the Territorial District of Parry Sound lying between the easterly limit of Lot 6 in Concession XXIV and the water's edge of Southeast Bay of Lake Nipissing and an area of Southeast Bay lying within a radius of 182.9 metres of Wasi Falls.	From April 1st to May 31st.

53.	Wolfsden Lake, known also as Spectacle Lake, in the Townships of Sherwood, Jones and Burns in the County of Renfrew and in the geographic Township of Dickens in the Territorial District of Nipissing.	From October 11th to the Friday immediately preceding the last Saturday in April in the year next following, both inclusive.
54.	The waters within the limits of a line beginning at a point in the high-water mark of Lake Ontario being at the southwesterly extremity of Wicked Point also known as Salmon Point, in the Township of Athol in the County of Prince Edward; thence west astronomically 4.8 km; thence south astronomically 24.9 km, more or less, to the intersection with the International Boundary between Canada and the United States; thence in an easterly and northeasterly direction following that international boundary to the intersection with a line drawn south astronomically from the buoy marking Psych Shoal; thence north astronomically 21.7 km, more or less, to that buoy; thence in a northwesterly direction in a straight line to the intersection with the high-water mark at the most northeasterly extremity of Timber Island; thence in a southwesterly direction in a straight line to Pt. Traverse in Long Point in the Township of South Marysburgh in the County of Prince Edward; thence in a general southwesterly direction following the high-water mark of the Township of South Marysburgh and the Township of Athol to the point of beginning.	From October 15th to December 31st in each year.
55.	Flack Lake in the geographic Township of Tp. 157 in the Territorial District of Algoma, located at approximate latitude 46°36' north, longitude 82°41' west.	From October 1st to the Friday immediately preceding the 3rd Saturday in May in the year next following.
56.	Semiwhite Lake in the geographic Township of Tp. 151 in the Territorial District of Algoma, located at approximate latitude 46°36' north, longitude 82°41' west.	From the second Monday in September to the Thursday immediately preceding the first Friday in June in the year next following, both inclusive.

107.	Presto Lake in the geographic Township of Preston in the Territorial District of Nipissing.	Anytime.
108.	Shallnot Lake in the geographic Township of Clancy in the Territorial District of Nipissing.	Anytime.
109.	Fisher's Creek in the Township of Charlottesvile in the County of Norfolk.	From October 1st to the Friday preceding the last Saturday in April in each year.
110.	Normandale Creek in the Township of Charlottesvile in the County of Norfolk.	From October 1st to the Friday preceding the last Saturday in April in each year.
111.	All that part of a bay of Sabaskong Bay of Lake of the Woods in the geographic Township of Godson, in the Territorial District of Kenora, lying southeasterly of a line drawn southwesterly from the northwesterly corner of location LK 328 to the most northerly extremity of location HL 20.	From April 15th to the Friday immediately preceding the third Saturday in May.

112.	All that part of East Cedar Lake and Cedar River lying northerly of the geographic Township of Wardrope in the Territorial District of Kenora, extending 563.3 metres northeasterly of a bridge across the southerly part of East Cedar Lake and southerly of the said bridge to the northerly extremity of an unnamed lake which is 301.8 metres southerly of Louise Rapids on Cedar River.	From April 1st to May 31st.
113.	All of the waters of that part of Willow Creek in the Township of St. Edmunds in the County of Bruce extending downstream from that part of the King's Highway known as No. 6 to Lake Huron.	From the last Saturday in April to the Friday immediately preceding the second Saturday in May, in each year.
114.	Revoked.	
115.	Revoked. S.O.R./82-500, s. 14(14).	
116.	Revoked.	
117.	The waters of an unnamed lake locally known as Whitefish Lake in Lot 1 in Concession I in the geographic Township of Ermatinger, and Lot 1 in Concession VI in the geographic Township of Totten in the Territorial District of Sudbury at approximate latitude 46°32'30" north, longitude 81°34'30" west.	Anytime.
118.	The waters of that part of Bar River flowing through the southwesterly quarter of Section 34 in the geographic Township of Macdonald in the Territorial District of Algoma.	From the 15th day of April to the 15th day of June, in each year.

# SCHEDULE XIX—FISH SANCTUARIES—Continued

ITEM	COLUMN I	COLUMN II
119.	The waters of that part of the Sturgeon River in the geographic Township of Springer in the Territorial District of Nipissing lying between the dam at Sturgeon Falls in Lot 4 in Concession I and a line drawn parallel to the northerly limit of Lot 8 in Concession C and distant 1219.2 metres measured southerly in perpendicular distance therefrom.	From April 1st to May 31st.
120.	All of the waters in the Nagagamisis Lake and River in the geographic Township of Elgie in the Territorial District of Algoma described as follows: Beginning at a point in the northerly boundary of the geographic Township of Elgie distant 5.2 kilometres easterly along that northerly boundary from the northwesterly corner thereof; thence due south 1.2 kilometres; thence due east approximately 2.5 kilometres; thence due north 1.2 kilometres, more or less, to the northerly boundary of the geographic Township of Elgie; thence westerly along that northerly boundary 2.5 kilometres, more or less, to the place of beginning.	From April 15th to June 15th.
121.	All of the waters of Firth Creek known locally as Spawning Creek in the geographic Township of Milner in the Territorial District of Timiskaming lying between that part of the King's Highway known as No. 560 and the water's edge of Firth Lake.	From April 15th to June 15th.
122.	All of the waters of Crooked Creek in the geographic townships of Marquis and Blain in the Territorial District of Timiskaming, and that portion lying southeasterly of that part of the King's Highway known as No. 66 in the geographic Township of Eby in the said Territorial District, together with all the waters of the Blanche River in the said geographic Township of Marquis.	From April 15th to June 15th.

123.	All of the waters in the Mattagami River in the geographic Township of Mountjoy in the Territorial District of Cochrane, situated in Lots 11 and 12, Concession IV and V extending from the face of the power dam known as Sandy Falls, downstream to the westerly boundary of the geographic Township of Mountjoy.	From April 15th to May 15th.
124.	The waters of Ezma Lake in geographic Township 163 in the Territorial District of Algoma at approximate latitude 46°33' north, longitude 82°50'30'' west.	Anytime.
125.	The waters of Gibberry Lake in geographic townships 156 and 157 in the Territorial District of Algoma at approximate latitude 46°32' north, longitude 82°48' west.	Anytime.
126.	The waters of Samreid Lake in geographic Township 157 in the Territorial District of Algoma at approximate latitude 46°33'30'' north, longitude 82°44'30'' west.	Anytime.
127.	The waters of Dollyberry Lake in geographic townships 156 and 157 in the Territorial District of Algoma at approximate latitude 46°33' north, longitude 82°47' west.	Anytime.
128.	Revoked.	
129.	Revoked.	
130.	The waters of Bobowash Lake in geographic Township 157 in the Territorial District of Algoma at approximate latitude 46°34' north, longitude 82°47' west.	Anytime.
131.	Revoked.

213.	The waters of Islets Lake at approximate latitude 49°13' north and longitude 92°16' west in the Territorial District of Kenora.	From the 1st day of January to the Friday immediately preceding the third Saturday in May, in each year.
214.	The waters of Beak Lake at approximate latitude 49°15' north and longitude 92°16' west in the Territorial District of Kenora.	From the 1st day of January to the Friday immediately preceding the third Saturday in May, in each year.
215.	The waters of Upper Roslyn Lake at approximate latitude 49°15' north and longitude 87°29' west in the Territorial District of Thunder Bay.	Anytime.
216.	The waters of Nelson Lake in the Township of Bowell in the Territorial District of Sudbury.	From the 1st day of January to the Friday immediately preceding the last Saturday in April, in each year.
217.	That part of the Credit River in the City of Mississauga in The Regional Municipality of Peel lying between the most northerly side of the bridge that forms part of Burnhamthorpe Road in the said City and a point 170 m distant from the upstream side of the Reid Mill Dam.	From the 15th day of August to the last Saturday in April, in each year.

218.	That part of Eagle Lake in the Territorial District of Kenora at approximate latitude 49°31' north and longitude 93°00' west, composed of Brulé Narrows, Whiteclay Narrows, Niven Bay and Bunyon Lake and connecting waters, and including the tributaries thereto, known as Godson Creek from Ingal Lake, Kekekwa Creek from Kekekwa Lake and Wawapus Creek from Wawapus Lake, and the tributaries to the said Niven Bay extending 2 km from the shores of Niven Bay.	From the 1st day of April to the 31st day of May, in each year.
219.	All that part of Bronte Creek, formerly named Twelve Mile Creek, and the connecting backwaters of Bronte Creek, in the Town of Oakville, in The Regional Municipality of Halton, lying between the northwesterly limit of the right-of-way of The King's Highway No. 2 and the prolongation across Bronte Creek of the southeasterly limit of the allowance for road between Third Concession and Broken Front Concession, in front of Lot 31, as shown on the plan of the Township of Trafalgar.	Anytime
220.	That part of the Trent River in the City of Trenton, in the County of Hastings lying between the Canadian National Railway Company bridge and the south side of the bridge on Dundas Street.	From the 1st day of April to the Friday preceding the first Saturday in May, in each year.
221.	That part of the Ganaraska River in the Town of Port Hope, in the county of Northumberland, lying between the bridge of the Canadian National Railway Company and the Corbett Dam.	From the 16th day of September to the 30th day of November, in each year.
222.	That part of Trout River in the territorial districts of Kenora and Rainy River being at approximate latitude 49°01' north and longitude 92°53' west, extending downstream from the falls at the outlet from Sakwite Lake to Otukamanoan Lake.	From the 14th day of April to the third Saturday in June, in each year.

# SCHEDULE XIX — FISH SANCTUARIES — Continued

ITEM	COLUMN I	COLUMN II
223.	That part of Net Lake in the geographic Township of Strathy, now in the Township of Temagami, lying between two lines drawn parallel to and 100 m in perpendicular distance measured southwesterly and northeasterly respectively from the mid-distance between the rails of the Ontario North-land Transportation Commission track.	From the 15th day of April to the Friday immediately preceding the Third Saturday in May, in each year.
224.	That part of Kabinakagami River in the geographic townships of Lizar and Mosambik, in the Territorial District of Algoma, extending upstream from the mouth of Kabinakagami River in Little Kaby Bay to a line drawn perpendicularly across the said river 100 m above the falls known as Chipmunk Falls and which line is also distant 870 m, more or less, measured upstream along the centre thread of the said river from the north boundary of the geographic Township of Mosambik.	From the 15th day of April to the 15th day of June, in each year.
225.	That part of the Oba River and its expansions in the geographic Township of Ermine, in the territorial District of Algoma extending downstream from the north boundary of the geographic Township of Ermine to Kabinakagami Lake.	From the 15th day of April to the 15th day of June, in each year.
226.	That part of Squirrel Falls in the Territorial District of Rainy River situated between Namakan Lake and Rainy River, extending downstream 100 m from the face of the dam known as Canadian Kettle Falls dam.	Anytime.

227.	All the waters of Mollie River in the geographic Township of Mollie, in the Territorial District of Sudbury.	From the 15th day of April to the 31st day of May, in each year.
228.	That part of Rocklyn Creek and all its tributaries in the townships of St. Vincent and Sydenham, in the County of Grey, lying between the south boundary of the Township of Vincent and the confluence of Bighead River and said Rocklyn Creek.	From the last Saturday in April to the Friday preceding the second Saturday in May, in each year.
229.	That part of Root River and the expansions being Adamhay Lake, March Lake and Anenimus Bay Lac Seul, in the Territorial District of Kenora and in the Territorial District of Kenora Patricia Portion, extending northeasterly from and including the narrows at the mouth of Anenimus Bay to the bridge on the Vermilion River Road crossing the Root River approximately 2.4 km downstream from the confluence of Lynpaw Creek and Root River.	From the 15th day of March to the 21st day of June, in each year.
230.	The waters of Wahwashkesh Lake, known locally as Deer Lake, in the geographic townships of Burton and McKenzie, in the Territorial District of Parry Sound	From the 1st day of January to the Friday preceding the third Saturday in May, in each year.
231.	The waters of Miskokway, known locally as Simikoka Lake, in the geographic townships of Burton and Harrison, in the Territorial district of Parry Sound.	From the 1st day of January to the Friday preceding the third Saturday in May, in each year.

SCHEDULE XIX — **FISH SANCTUARIES** — Continued

ITEM	COLUMN I	COLUMN II
232.	The waters of Trout Lake, in the geographic Township of East Burpee, in the Territorial District of Parry Sound.	From the 1st day of January to the Friday preceding the third Saturday in May, in each year.
233.	The waters of Fowke Lake, known locally as Spring Lake, in the geographic Township of Lount, in the Territorial District of Parry Sound.	From the 1st day of January to the Friday preceding the third Saturday in May, in each year.
234.	The waters of that part of Drag River in the Township of Dysart, Bruton, Clyde, Dudley, Eyre, Harburn, Harcourt and Havelock, also in the Village of Haliburton, in the Provisional County of Haliburton, extending downstream from the dam known as Bailey's Dam situated in Lot 17, Concession VIII, as shown on the plan of the Township of Dysart, to Head Lake.	From the 1st day of April to the second Saturday in May, in each year.
235.	The waters of that part of Burnt River in the Township of Dysart, Bruton, Clyde, Dudley, Eyre, Harburn, Harcourt and Havelock, in the Provisional County of Haliburton, being within Lots 24, 25 and 26, in Concession II, as shown on the plan of the Township of Dysart and extending from County Road No. 3, also known as the Buckhorn Road, to Blue Hawk Lake.	From the 1st day of April to the second Saturday in May, in each year.

236.	The waters of that part of Skeleton River in the Township of Muskoka Lake, in the District Municipality of Muskoka, lying within Lot 42, Concession B, as shown on the plan of the Township of Watt, extending downstream from the dam at the outlet of Skeleton Lake to a line drawn across Skeleton River on the production northerly of the most northerly course of the westerly boundary of Skeleton Lake Fish Culture Station property.	All year.
237.	The waters of that part of the North Magnetawan River in the townships of Armour and Strong and in the geographic Township of Proudfoot, in the Territorial District of Parry Sound, extending downstream from the west side of the bridge constructed over the said river within the road allowance between Lots 30 and 31, concession II, in the said Township of Strong, to Pickerel Lake.	From the 1st day of April to the Friday immediately preceding the third Saturday in May, in each year.
238.	The waters of that part of Gartersnake river in the Town of Gravenhurst, in the District Municipality of Muskoka, lying within Lot 20, Concession IX, as shown on the plan of the Township of Ryde.	From the 1st day of April to the Friday immediately preceding the second Saturday in May, in each year.
239.	The waters of that part of Kahshe River in the Town of Gravenhurst, in the District Municipality of Muskoka, lying within Lot 27, Concession V, as shown on the plan of the Township of Morrison.	From the 1st day of April to the Friday immediately preceding the second Saturday in May, in each year.

SCHEDULE XIX -- **FISH SANCTUARIES** -- Continued

ITEM	COLUMN I	COLUMN II
240.	The waters of that part of Severn River in the Town of Gravenhurst, in the District Municipality of Muskoka and in the Township of Orillia, in the County of Simcoe, lying between the northerly side of the bridge over the Severn River on the boundary between the Township of Rama, County of Simcoe and the said Town of Gravenhurst, to a line across the said river drawn on the production southerly of the westerly limit of Lot 17, Concession A, as shown on the plan of the Township of Morrison.	From the 1st day of April to the Friday immediately preceding the second Saturday in May, in each year.
241.	The waters of Sawmill Creek and that part of Sawmill Bay, Upper Shebandowan Lake, in the Territorial District of Thunder Bay, extending northeasterly from the most westerly extremity of said Sawmill Bay to a line drawn on a course of north 23°00' west across said Sawmill Bay from a point on the south shore which is also a point on the northeasterly shore of Firefly Creek.	From the 1st day of April to the 1st day of June, in each year.
242.	The waters of that part of Greenwater Creek and that part of Upper Shebandowan Lake in the Territorial District of Thunder Bay, bounded on the east by the dam on Greenwater Creek and on the west by two lines drawn on a course of south 45°00' east from the most northeasterly and from the most southwesterly shores of an unnamed island situated 150 m northwesterly from the mouth of Greenwater Creek, to intersect the shore of Upper Shebandowan Lake.	From the 1st day of April to the 1st day of June, in each year.

243.	The waters of that part of Kashabowie River and that part of Upper Shebandowan Lake in the geographic Township of Haines and in the Territorial District of Thunder Bay, bonded by the dam at the outlet of Kashabowie Lake and by two lines positioned in Upper Shebandowan Lake described as follows:	From the 1st day of April to the 1st day of June, in each year.
244.	The waters of that part of Swamp River and that part of Swamp Bay Lower Shebandowan Lake, in the geographic townships of Conacher and Hagey, in the Territorial District of Thunder Bay, extending downstream from the confluence of Swamp River and Drift Creek to the parallel of latitude 48° 37' 20" north drawn across said Swamp Bay.	From the 1st day of April to the 1st day of June, in each year.
245.	The waters of that part of Walters Creek and all its tributaries in the townships of Holland and Sydenham, in the County of Grey, lying between the dam at Walters Falls in the said Township of Holland and the confluence of Bighead River and said Walters Creek.	From the last Saturday in April to the Friday preceding the second Saturday in May, in each year.
246.	That part of Katchewanooka Lake in the townships of Douro and Smith, in the County of Peterborough, lying between the westerly side of the bridge constructed on the King's Highway Number 28 and the westerly face of the dam constructed at the outlet of Clear Lake.	From the last Saturday in April to the Friday immediately following the second Saturday in May, in each year.
247.	Those parts of Lovesick Lake in the townships of Harvey and Smith, in The County of Peterborough, described as follows:	From the last Saturday in April to the Friday immediately following the second Saturday May, in each year.

SCHEDULE XIX — **FISH SANCTUARIES** — Continued

ITEM	COLUMN I	COLUMN II
	<p><b>FIRSTLY:</b> That part of Lovesick Lake lying easterly of the east gate of Lovesick Lock of the Trent Canal system and of the east face of the two dams constructed at the south end of Wolf Island to a line drawn southerly from the shore of Wolf Island to the shore of Millage Island and being parallel to and 100 m in perpendicular distance from the east gate of Lovesick Lock.</p> <p><b>SECONDLY:</b> That part of Lovesick Lake lying easterly of the east face of the two dams constructed at the southerly end of Millage Island, the northerly dam known as Grey Duck Dam and the southerly dam known as Sunset Dam, to a line drawn southerly from the shore of Millage Island to the southerly shore of Lovesick Lake and being parallel to and 100 m in perpendicular distance from the east face of the northerly dam.</p> <p><b>THIRDLY:</b> That part of Lovesick Lake lying easterly of the east face of the dam constructed between Wolf Island and Grey Duck Island, known as South Black Duck Dam, and a line drawn northerly from the shore of Wolf Island to the shore of Grey Duck Island parallel to and 100 m in perpendicular distance from the said face of the dam.</p> <p><b>FOURTHLY:</b> That part of Lovesick Lake lying easterly of the east face of the dam constructed at the north end of Grey Duck Island, known as North Black Duck Dam, and a line drawn northerly from the shore of Grey Duck Island to the northerly shore of Lovesick Lake and being parallel to and 100 m in perpendicular distance from the east face of the dam.</p>	

248.	That part of the Pigeon River in the Village of Omemee and in the Township of Emily, in the County of Victoria, lying within Lot 7, Concessions III and IV, as shown on the plan of the Township of Emily.	From the last Saturday in April to the Friday immediately following the second Saturday in May, in each year.
249.	That part of the waters of Kushog Lake lying within Lot 1, Concession 10, in the Township of Stanhope in the Provisional County of Haliburton, commonly known as Ox Narrows, for a distance of 100 m on either side of the centre line of the bridge on the King's Highway Number 35, known as Ox Narrows bridge, measured along the high-water mark.	From the 15th day of September to the 30th day of November, in each year.
250.	The waters of Beaver Lake at approximately latitude $46^{\circ}57'$ north and longitude $80^{\circ}51'$ west in the Territorial District of Sudbury.	From the 1st day of April, 1982 to the 31st day of December, 1983.
251.	The waters of McCulloch Lake at approximately latitude $47^{\circ}20'$ north and longitude $80^{\circ}42'$ west in the Territorial District of Sudbury.	From the 1st day of August, 1982 to the 31st day of December, 1983."
